Item 1.01 Entry into a Material Definitive Agreement.

On July 14, 2011, Rent-A-Center, Inc. (the “Company”) entered into a Fourth Amended and Restated Credit Agreement (the “Credit Agreement”), among the Company, the several banks and other financial institutions or entities from time to time parties to the Credit Agreement, Bank of America, N.A., Compass Bank and Wells Fargo Bank, N.A., as syndication agents, and JPMorgan Chase Bank, N.A., as administrative agent. The Credit Agreement amended and restated the Company’s existing credit agreement, dated as of May 28, 2003, as amended and restated as of November 15, 2006, and as further amended by that certain First Amendment to the Third Amended and Restated Credit Agreement dated December 2, 2009 (as amended, the “Existing Credit Agreement”). The Credit Agreement represents a refinancing of the Company’s senior secured debt and provides for a new \$750 million senior credit facility, consisting of \$250 million in term loans (the “Term Loans”) and a \$500 million revolving credit facility (the “Revolving Facility”).

Also on July 14, 2011, the Company drew down the \$250 million in Term Loans and \$100 million of the Revolving Facility and utilized the proceeds to repay its existing senior term debt outstanding under the Existing Credit Agreement. The Term Loans will be repayable in 19 consecutive quarterly installments equal to \$6.25 million from September 30, 2011 through March 31, 2016, and a payment of \$131.25 million payable on July 14, 2016.

Borrowings under the Credit Agreement bear interest at varying rates equal to the Eurodollar rate plus 1.50% to 2.50%, or the prime rate plus 0.50% to 1.50%, at the Company’s election. The margins on the Eurodollar rate and on the prime rate, which are initially 1.75% and 0.75% respectively, may fluctuate dependent upon an increase or decrease in the Company’s consolidated leverage ratio as defined by a pricing grid included in the Credit Agreement. The Company has not entered into any interest rate protection agreements with respect to term loans under the senior credit facility. A commitment fee equal to 0.30% to 0.50% of the unused portion of the Revolving Facility is payable quarterly, and fluctuates dependent upon an increase or decrease in the Company’s consolidated leverage ratio. The initial commitment fee is equal to 0.35% of the unused portion of the Revolving Facility.

The senior credit facility is secured by a security interest in substantially all of the Company’s tangible and intangible assets, including intellectual property, and is also secured by a pledge of the capital stock of the Company’s U.S. subsidiaries.

The Credit Agreement also permits the Company to increase the amount of the Term Loans and/or the Revolving Facility from time to time on up to 3 occasions, in an aggregate amount of up to \$250 million, provided that the Company is not in default at the time and has obtained the consent of administrative agent and the lenders providing such increase.

Subject to a number of exceptions, the senior credit facility contains, without limitation, covenants that generally limit the Company’s ability to:

- incur additional debt in excess of \$250 million at any one time outstanding (other than subordinated debt, which is generally permitted if the maturity date is later than July 14, 2017);
- repurchase its capital stock and 6.625% notes and pay cash dividends in the event the pro forma senior leverage ratio is greater than 2.50x;
- incur liens or other encumbrances;
- merge, consolidate or sell substantially all its property or business;
- sell assets, other than inventory in the ordinary course of business;
- make investments or acquisitions unless it meets financial tests and other requirements;
- make capital expenditures; or
- enter into an unrelated line of business.

The senior credit facility requires the Company to comply with several financial covenants, including a maximum consolidated leverage ratio of no greater than 3.25:1, and a minimum fixed charge coverage ratio of no less than 1.35:1.

Events of default under the senior credit facility include customary events, such as a cross-acceleration provision in the event that the Company defaults on other debt. In addition, an event of default under the senior credit facility would occur if there is a change of control of the Company. This is defined to include the case where a third party becomes the beneficial owner of 35% or more of the Company's voting stock or certain changes in its Board of Directors occurs. An event of default would also occur if one or more judgments were entered against the Company of \$50 million or more and such judgments were not satisfied or bonded pending appeal within 30 days after entry.

The description of the Credit Agreement set forth above does not purport to be complete and is qualified in its entirety by reference to the full text of the Credit Agreement filed as Exhibit 10.1 to this Current Report on Form 8-K.

The press release announcing the entering into of the Credit Agreement is attached as Exhibit 99.1 to this Current Report on Form 8-K.

Item 1.02 Termination of a Material Definitive Agreement.

A brief description of the material terms and conditions of the Existing Credit Agreement is located in the Company's Quarterly Report on Form 10-Q for the fiscal quarter ended March 31, 2011 under the heading "Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations — Liquidity and Capital Resources — Senior Credit Facilities." As described in Item 1.01 of this Current Report on Form 8-K, effective immediately upon the execution of the Credit Agreement by the parties thereto, the terms and conditions of the Existing Credit Agreement were amended as set forth in, and restated in their entirety and superseded by, the Credit Agreement.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information included in Item 1.01 of this Current Report on Form 8-K is also incorporated by reference into this Item 2.03 of this Current Report on Form 8-K.

The Company utilized the proceeds of the Term Loans, together with \$100 million under the Revolving Facility, to replace the indebtedness outstanding under the Existing Credit Agreement. The full amount of the Revolving Facility is also available for the issuance of letters of credit.

The Company intends to utilize the Revolving Facility for the issuance of letters of credit, as well as to manage normal fluctuations in operational cash flow caused by the timing of cash receipts. In that regard, the Company may from time to time draw funds under the Revolving Facility for general corporate purposes.

Historically, the Company used the revolving facility under the Existing Credit Agreement for the issuance of letters of credit, as well as to manage normal fluctuations in operational cash flow caused by the timing of cash receipts. In that regard, the Company from time to time drew funds for general corporate purposes. The funds drawn on individual occasions varied in amounts of up to \$98 million, with total amounts outstanding ranging from \$2 million up to \$108 million. The amounts drawn were generally outstanding for a short period of time and were generally paid down as cash is received from the Company's operating activities. The Company intends to utilize the Revolving Facility for similar purposes.

NOW, THEREFORE, in consideration of the above premises, the parties hereto hereby agree that on the Restatement Effective Date (as defined below), the Existing Credit Agreement shall be amended and restated in its entirety as follows:

Any change in the ABR due to a change in the Prime Rate, the Federal Funds Effective Rate or such Eurodollar Rate shall be effective as of the opening of business on the effective day of such change in the Prime Rate, the Federal Funds Effective Rate or such Eurodollar Rate, respectively.

2.1. Term Commitments; Term Loans; Incremental Term Loans.

(a) Subject to the terms and conditions set forth herein, each Term Lender severally agrees to make a term loan (together with the Incremental Term Loans defined below, the “Term Loans”) to the Borrower on the Restatement Effective Date in an amount not to exceed the amount of the Term Commitment of such Lender.

(b) The Term Loans may from time to time be Eurodollar Loans or ABR Loans, as determined by the Borrower and notified to the Administrative Agent in accordance with Sections 2.4 and 2.12.

(c) The Borrower and any one or more Term Lenders may from time to time agree that such Term Lenders shall increase the amount of their Term Loans (“Incremental Term Loans”) by executing and delivering to the Administrative Agent an Increased Term Facility Activation Notice specifying (i) the principal amount of such increase, (ii) the Increased Term Facility Closing Date, (iii) the applicable maturity date for such Loans, (iv) the amortization schedule for such Incremental Term Loans, which shall comply with the next succeeding sentence, and (v) the Applicable Margin for such Incremental Term Loans. The amortization schedule for any Incremental Term Loans shall be identical to or longer than, on a percentage basis, the then remaining amortization schedule for the Term Loans. Other than with respect to the pricing, amortization and final maturity date applicable thereto, the Incremental Term Loans shall otherwise have the same terms as are applicable to the then outstanding Term Loans. Notwithstanding the foregoing, without the consent of the Required Lenders, the aggregate amount of Incremental Term Loans plus Incremental Revolving Commitments obtained pursuant to Section 2.2(b) shall not exceed \$250,000,000. No Term Lender shall have any obligation to participate in any increase described in this paragraph unless it agrees to do so in its sole discretion.

(d) Any additional bank, financial institution or other entity which, with the consent of the Borrower and the Administrative Agent (which consent shall not be unreasonably withheld, delayed or conditioned), elects to become a “Term Lender” under this Agreement in connection with any transaction described in Section 2.1(c) shall execute a New Lender Supplement, whereupon such bank, financial institution or other entity (a “New Term Lender”) shall become a Term Lender for all purposes

and to the same extent as if originally a party hereto and shall be bound by and entitled to the benefits of this Agreement.

2.2. Revolving Commitments; Revolving Loans; Incremental Revolving Loans. (a) Subject to the terms and conditions hereof, each Revolving Lender severally agrees to make revolving credit loans hereunder (together with the Incremental Revolving Loans defined below, collectively, the “Revolving Loans”) to the Borrower from time to time during the Revolving Commitment Period in an aggregate principal amount at any one time outstanding which, when added to such Lender’s LC Exposure and Swingline Exposure, does not exceed the amount of such Lender’s Revolving Commitment. During the Revolving Commitment Period the Borrower may use the Revolving Commitments by borrowing, prepaying the Revolving Loans in whole or in part, and reborrowing, all in accordance with the terms and conditions hereof. The Revolving Loans may from time to time be Eurodollar Loans or ABR Loans, as determined by the Borrower and notified to the Administrative Agent in accordance with Sections 2.5 and 2.12.

(b) The Borrower and any one or more Revolving Lenders may agree that each such Lender shall increase the amount of its existing Revolving Commitment (the “Incremental Revolving Commitment”) to make incremental revolving credit loans (the “Incremental Revolving Loans”) by executing and delivering to the Administrative Agent an Increased Revolving Facility Activation Notice specifying (i) the principal amount of such increase and (ii) the Increased Revolving Facility Closing Date. Notwithstanding the foregoing, without the consent of the Required Lenders, (i) the aggregate amount of Incremental Revolving Commitments obtained pursuant to this paragraph plus Incremental Term Loans obtained pursuant to Section 2.1(c) shall not exceed \$250,000,000 and (ii) no more than three Increased Revolving Facility Closing Dates may be selected by the Borrower during the term of this Agreement. No Lender shall have any obligation to participate in any increase described in this paragraph unless it agrees to do so in its sole discretion.

(c) Any additional bank, financial institution or other entity which, with the consent of the Borrower and the Administrative Agent (which consent shall not be unreasonably withheld, delayed or conditioned), elects to become a “Revolving Lender” under this Agreement in connection with any transaction described in Section 2.2(b) shall execute a New Lender Supplement, whereupon such bank, financial institution or other entity (a “New Revolving Lender”) shall become a Revolving Lender for all purposes and to the same extent as if originally a party hereto and shall be bound by and entitled to the benefits of this Agreement.

(d) For the purpose of providing that the respective amounts of Revolving Loans that are Eurodollar Loans (and Eurodollar Tranches in respect thereof) held by the Revolving Lenders are held by them on a pro rata basis according to their respective Revolving Percentages, on each Increased Revolving Facility Closing Date (i) all outstanding Revolving Loans that are Eurodollar Loans shall be converted into a single Revolving Loan that is a Eurodollar Loan (with an interest period to be selected by the Borrower), and upon such conversion the Borrower shall pay any amounts owing pursuant to Section 2.20, if any, (ii) any new borrowings on such date of Revolving Loans that are Eurodollar Loans and that have the same Interest Period shall also be part of such single Revolving Loan and (iii) all Revolving Lenders (including the New Revolving Lenders) shall hold a portion of such single Revolving Loan equal to its Revolving Percentage thereof and any fundings on such date shall be made in such a manner so as to achieve the foregoing.

2.3. Swingline Commitment. Subject to the terms and conditions hereof, the Swingline Lender agrees to make a portion of the credit otherwise available to the Borrower under the Revolving Commitments from time to time during the Revolving Commitment Period by making swing line loans (“Swingline Loans”) to the Borrower; provided that (a) the aggregate principal amount of

Swingline Loans outstanding at any time shall not exceed the Swingline Commitment then in effect (notwithstanding that the Swingline Loans outstanding at any time, when aggregated with the Swingline Lender's other outstanding Revolving Loans hereunder, may exceed the Swingline Commitment then in effect) and (b) the Borrower shall not request, and the Swingline Lender shall not make, any Swingline Loan if, after giving effect to the making of such Swingline Loan, the aggregate amount of the Available Revolving Commitments would be less than zero. During the Revolving Commitment Period, the Borrower may use the Swingline Commitment by borrowing, repaying and reborrowing, all in accordance with the terms and conditions hereof. Swingline Loans shall be ABR Loans only.

2.4. Procedure for Term Loan Borrowing. The Borrower shall give the Administrative Agent irrevocable notice (a) which notice, in the case of Term Loans to be made on the Restatement Effective Date, must be received by the Administrative Agent prior to 12:00 Noon, New York City time, at least one Business Day prior to the anticipated Restatement Effective Date with respect to ABR Loans and at least three Business Days prior to the anticipated Restatement Effective Date with respect to Eurodollar Loans, requesting that the Term Lenders make Term Loans on the Restatement Effective Date, or (b) in the case of Incremental Term Loans, which notice must be received by the Administrative Agent prior to 12:00 Noon, New York City time, at least one Business Day prior to the anticipated Increased Term Facility Closing Date for such Loans with respect to any such Loans that are ABR Loans and at least three Business Days prior to such anticipated Increased Term Facility Closing Date with respect to Eurodollar Loans, requesting that the relevant Term Lenders make such Incremental Term Loans on the applicable Increased Term Facility Closing Date, and in each case specifying the principal amount to be borrowed. Upon receipt of such notice the Administrative Agent shall promptly notify each Term Lender thereof. Not later than 12:00 Noon, New York City time, on the Restatement Effective Date each relevant Term Lender shall make available to the Administrative Agent at the Funding Office an amount in immediately available funds equal to the Term Loan to be made by such Lender. The Administrative Agent shall make available to the Borrower the aggregate of the amounts made available to the Administrative Agent by the Term Lenders in like funds.

2.5. Procedure for Revolving Loan Borrowing. (a) The Borrower may borrow under the Revolving Commitments during the Revolving Commitment Period on any Business Day, provided that the Borrower shall give the Administrative Agent irrevocable notice (which notice must be received by the Administrative Agent prior to 12:00 Noon, New York City time, at least (a) three Business Days prior to the requested Borrowing Date, in the case of Eurodollar Loans, or (b) one Business Day prior to the requested Borrowing Date, in the case of ABR Loans), specifying (i) the principal amount and Type of Loans to be borrowed, (ii) the requested Borrowing Date and (iii) in the case of Eurodollar Loans, the respective amounts of each such Type of Loan and the respective lengths of the initial Interest Period therefor. Each borrowing under the Revolving Commitments shall be in an amount equal to (x) in the case of ABR Loans, \$2,000,000 or a whole multiple of \$500,000 in excess thereof (or, if the then aggregate Available Revolving Commitments are less than \$2,000,000, such lesser amount) and (y) in the case of Eurodollar Loans, \$3,000,000 or a whole multiple of \$1,000,000 in excess thereof; provided, that the Swingline Lender may request, on behalf of the Borrower, borrowings under the Revolving Commitments that are ABR Loans in other amounts pursuant to Section 2.6 and the Borrower may request borrowings under the Revolving Commitments that are ABR Loans in other amounts pursuant to Section 3.5.

(b) Upon receipt of any such notice from the Borrower, the Administrative Agent shall promptly notify each relevant Lender thereof. Each relevant Lender will make the amount of its pro rata share of each such borrowing available to the Administrative Agent for the account of the Borrower at the Funding Office prior to 12:00 Noon, New York City time, on the Borrowing Date requested by the Borrower in funds immediately available to the Administrative Agent. Such borrowing will then be made available to the Borrower by the Administrative Agent crediting the account of the Borrower on the books

of such office with the aggregate of the amounts made available to the Administrative Agent by the relevant Lenders and in like funds as received by the Administrative Agent or, if the borrowing was made pursuant to Section 3.5, by paying the Issuing Bank the amounts funded by it with respect to the Letter of Credit drawing which gave rise to such borrowing.

2.6. Procedure for Swingline Borrowing; Refunding of Swingline Loans. (a) Whenever the Borrower desires that the Swingline Lender make Swingline Loans it shall give the Swingline Lender irrevocable telephonic notice confirmed promptly in writing (which telephonic notice must be received by the Swingline Lender not later than 1:00 P.M., New York City time, on the proposed Borrowing Date), specifying (i) the principal amount to be borrowed and (ii) the requested Borrowing Date (which shall be a Business Day during the Revolving Commitment Period). Each borrowing under the Swingline Commitment shall be in an amount equal to \$500,000 or a whole multiple of \$100,000 in excess thereof. Not later than 3:00 P.M., New York City time, on the Borrowing Date specified in a notice in respect of Swingline Loans, the Swingline Lender shall make available to the Administrative Agent at the Funding Office an amount in immediately available funds equal to the amount of the Swingline Loan to be made by the Swingline Lender. The Administrative Agent shall make the proceeds of such Swingline Loan available to the Borrower on such Borrowing Date by depositing such proceeds in the account of the Borrower with the Administrative Agent on such Borrowing Date in immediately available funds.

(b) The Swingline Lender, at any time and from time to time in its sole and absolute discretion may (and, not later than 10 Business Days after the making of a Swingline Loan, shall) on behalf of the Borrower (which hereby irrevocably directs the Swingline Lender to act on its behalf), on one Business Day's notice given by the Swingline Lender no later than 12:00 Noon, New York City time (with a copy of such notice being provided to the Borrower), request each Revolving Lender to make, and each Revolving Lender hereby agrees to make, a Revolving Loan, in an amount equal to such Revolving Lender's Revolving Percentage of the aggregate amount of the Swingline Loans (the "Refunded Swingline Loans") outstanding on the date of such notice, to repay the Swingline Lender. Each Revolving Lender shall make the amount of such Revolving Loan available to the Administrative Agent at the Funding Office in immediately available funds, not later than 10:00 A.M., New York City time, one Business Day after the date of such notice. The proceeds of such Revolving Loans shall be immediately made available by the Administrative Agent to the Swingline Lender for application by the Swingline Lender to the repayment of the Refunded Swingline Loans. The Borrower irrevocably authorizes the Swingline Lender to charge the Borrower's accounts with the Administrative Agent (up to the amount available in each such account) in order to immediately pay the amount of such Refunded Swingline Loans to the extent amounts received from the Revolving Lenders are not sufficient to repay in full such Refunded Swingline Loans (with notice of such charge being provided to the Borrower, provided that the failure to give such notice shall not affect the validity of such charge).

(c) If prior to the time a Revolving Loan would have otherwise been made pursuant to Section 2.6(b), one of the events described in Section 8(f) shall have occurred and be continuing with respect to the Borrower or if for any other reason, as determined by the Swingline Lender in its sole discretion, Revolving Loans may not be made as contemplated by Section 2.6(b), each Revolving Lender shall, on the date such Revolving Loan was to have been made pursuant to the notice referred to in Section 2.6(b) (the "Refunding Date"), purchase for cash an undivided participating interest in the then outstanding Swingline Loans by paying to the Swingline Lender an amount (the "Swingline Participation Amount") equal to (i) such Revolving Lender's Revolving Percentage times (ii) the sum of the aggregate principal amount of Swingline Loans then outstanding that were to have been repaid with such Revolving Loans.

(d) Whenever, at any time after the Swingline Lender has received from any Revolving Lender such Lender's Swingline Participation Amount, the Swingline Lender receives any payment on account of the Swingline Loans, the Swingline Lender will distribute to such Revolving Lender its Swingline Participation Amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Revolving Lender's participating interest was outstanding and funded and, in the case of principal and interest payments, to reflect such Revolving Lender's pro rata portion of such payment if such payment is not sufficient to pay the principal of and interest on all Swingline Loans then due); provided, however, that in the event that such payment received by the Swingline Lender is required to be returned, such Revolving Lender will return to the Swingline Lender any portion thereof previously distributed to it by the Swingline Lender.

(e) Each Revolving Lender's obligation to make the Loans referred to in Section 2.6(b) and to purchase participating interests pursuant to Section 2.6(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right that such Revolving Lender or the Borrower may have against the Swingline Lender, the Borrower or any other Person for any reason whatsoever; (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Section 5; (iii) any adverse change in the condition (financial or otherwise) of the Borrower; (iv) any breach of this Agreement or any other Loan Document by the Borrower, any other Loan Party or any other Revolving Lender; or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

2.7. Repayment of Loans. (a) The Term Loans (other than Incremental Term Loans) shall mature in quarterly installments in the respective amounts set forth below opposite the applicable installment date (provided, that the aggregate amount of the final installment shall in any event equal the aggregate then outstanding principal amount of such Term Loans):

Installment	Principal Amount
September 30, 2011	\$ 6,250,000
December 31, 2011	\$ 6,250,000

(b) The Borrower shall repay all outstanding Revolving Loans and Swingline Loans on the Revolving Scheduled Commitment Termination Date.

(c) The Borrower shall repay all Incremental Term Loans in accordance with the applicable Increased Term Facility Activation Notice and Section 2.1(c).

2.8. Commitment Fees, Etc. (a) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender a commitment fee accruing during the Revolving Commitment Period, computed at a per annum rate equal to the Commitment Fee Rate on the average daily amount of the Available Revolving Commitment of such Lender during the period for which payment is made, payable in arrears on the last day of each March, June, September and December and on the Revolving Scheduled Commitment Termination Date.

(b) The Borrower agrees to pay to the Administrative Agent the fees in the amounts and on the dates previously agreed to in writing by the Borrower and the Administrative Agent.

2.9. Termination or Reduction of Commitments. The Borrower shall have the right, upon not less than three Business Days' notice to the Administrative Agent, to terminate the Revolving Commitments or, from time to time, to reduce the amount of the Revolving Commitments; provided that no such termination or reduction of Revolving Commitments shall be permitted if, after giving effect thereto and to any prepayments of the Revolving Loans and Swingline Loans made on the effective date thereof, the Total Revolving Extensions of Credit would exceed the Total Revolving Commitments. Any such partial reduction shall be in an amount equal to \$1,000,000, or a whole multiple thereof, and shall reduce permanently the Revolving Commitments then in effect. The aggregate amount of the unused Term Commitments shall terminate immediately upon the making of Term Loans on the Restatement Effective Date.

2.10. Optional Prepayments. Subject to Section 2.17, the Borrower may at any time and from time to time prepay the Loans, in whole or in part, without premium or penalty, upon irrevocable notice delivered to the Administrative Agent at least three Business Days prior thereto in the case of Eurodollar Loans and at least one Business Day prior thereto in the case of ABR Loans, which notice shall specify the date and amount of prepayment and, if applicable, whether the prepayment is of Eurodollar Loans or ABR Loans; provided, that if a Eurodollar Loan is prepaid on any day other than the last day of the Interest Period applicable thereto, the Borrower shall also pay any amounts owing pursuant to Section 2.20. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein, together with (except in the case of Revolving Loans that are ABR Loans and Swingline Loans) accrued interest to such date on the amount prepaid. Partial prepayments of Loans (other than Swingline Loans) shall be in an aggregate principal amount of \$1,000,000 or a whole multiple thereof. Partial prepayments of Swingline Loans shall be in an aggregate principal amount of \$100,000 or a whole multiple thereof.

2.11. Mandatory Prepayments. (a) If any Indebtedness shall be incurred by the Borrower or any of its Subsidiaries (excluding any Indebtedness incurred in accordance with Section 7.2), an amount equal to 100% of the Net Cash Proceeds thereof shall be applied on the date of such incurrence toward the prepayment of the Term Loans.

(b) If on any date the Borrower or any of its Subsidiaries shall receive Net Cash Proceeds from any Asset Sale or Recovery Event then, unless a Reinvestment Notice shall be delivered in respect thereof, an amount equal to 75% of such Net Cash Proceeds shall be applied within five Business Days following such date toward the prepayment of the Term Loans; provided, that, notwithstanding the

foregoing, (i) the aggregate Net Cash Proceeds of Asset Sales that may be excluded from the foregoing requirement pursuant to a Reinvestment Notice shall not exceed, in any fiscal year of the Borrower, an amount equal to 5% of Consolidated Total Assets as of the last day of the Borrower's immediately preceding fiscal year, and (ii) on each Reinvestment Prepayment Date, an amount equal to the Reinvestment Prepayment Amount with respect to the relevant Reinvestment Event shall be applied toward the prepayment of the Term Loans; provided, further, that, notwithstanding the foregoing, the Borrower shall not be required to prepay the Term Loans in accordance with this paragraph (b) except to the extent that the Net Cash Proceeds from all Asset Sales which have not been so applied equals or exceeds \$20,000,000 in the aggregate.

(c) If on any Calculation Date, the Total Revolving Extensions of Credit exceed 105% of the Total Revolving Commitments or the Alternative Currency LC Exposure exceeds 105% of the Alternative Currency LC Commitment, the Borrower shall, without notice or demand, within three Business Days after such Calculation Date, prepay the Revolving Loans (or, if no Revolving Loans remain outstanding, cash collateralize Letters of Credit in a manner satisfactory to the Administrative Agent) in an aggregate amount such that, after giving effect thereto, the Total Revolving Extensions of Credit do not exceed the Total Revolving Commitments and the Alternative Currency LC Exposure does not exceed the Alternative Currency LC Commitment.

(d) The application of any prepayment of Loans pursuant to this Section 2.11 shall be made, first, to ABR Loans and, second, to Eurodollar Loans. Each prepayment of the Loans under Section 2.11 (except in the case of Revolving Loans that are ABR Loans and Swingline Loans) shall be accompanied by accrued interest to the date of such prepayment on the amount prepaid and shall in every case be without premium, charge or penalty on account of such prepayment except such as would otherwise be due on account of a prepayment prior to the last day of an Interest Period.

2.12. Conversion and Continuation Options. (a) The Borrower may elect from time to time to convert Eurodollar Loans to ABR Loans by giving the Administrative Agent at least two Business Days' prior irrevocable notice of such election, provided that, unless the Borrower pays any amounts owing pursuant to Section 2.20(c), any such conversion of Eurodollar Loans may only be made on the last day of an Interest Period with respect thereto. The Borrower may elect from time to time to convert ABR Loans to Eurodollar Loans by giving the Administrative Agent at least three Business Days' prior irrevocable notice of such election (which notice shall specify the length of the initial Interest Period therefor), provided that no ABR Loan under a particular Facility may be converted into a Eurodollar Loan when any Event of Default has occurred and is continuing and the Administrative Agent or the Majority Facility Lenders in respect of such Facility have determined in its or their sole discretion not to permit such conversions. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof.

(b) Any Eurodollar Loan may be continued as such upon the expiration of the then current Interest Period with respect thereto by the Borrower giving irrevocable notice to the Administrative Agent, in accordance with the applicable provisions of the term "Interest Period", of the length of the next Interest Period to be applicable to such Loans, provided that no Eurodollar Loan under a particular Facility may be continued as such when any Event of Default has occurred and is continuing and the Administrative Agent has or the Majority Facility Lenders in respect of such Facility have determined in its or their sole discretion not to permit such continuations, and provided, further, that if the Borrower shall fail to give any required notice as described above in this paragraph or if such continuation is not permitted pursuant to the preceding proviso such Loans shall be automatically converted to ABR Loans on the last day of such then expiring Interest Period. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof.

2.13. Limitations on Eurodollar Tranches. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions and continuations of Eurodollar Loans hereunder and all selections of Interest Periods hereunder shall be in such amounts and be made pursuant to such elections so that, (a) after giving effect thereto, the aggregate principal amount of the Eurodollar Loans comprising each Eurodollar Tranche shall be equal to \$3,000,000 or a whole multiple of \$1,000,000 in excess thereof and (b) no more than 15 Eurodollar Tranches shall be outstanding at any one time.

2.14. Interest Rates and Payment Dates. (a) Each Eurodollar Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Eurodollar Rate determined for such day plus the Applicable Margin.

(b) Each ABR Loan shall bear interest at a rate per annum equal to the ABR plus the Applicable Margin.

(c) (i) If all or a portion of the principal amount of any Loan or Reimbursement Obligation shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), all outstanding Loans and Reimbursement Obligations (whether or not overdue) shall bear interest at a rate per annum equal to (x) in the case of the Loans, the rate that would otherwise be applicable thereto pursuant to the foregoing provisions of this Section 2.14 plus 2% or (y) in the case of Reimbursement Obligations, the rate applicable to ABR Loans under the Revolving Facility plus 2% and (ii) if all or a portion of any interest payable on any Loan or Reimbursement Obligation or any commitment fee, Letter of Credit fee or other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum equal to the rate then applicable to ABR Loans under the relevant Facility plus 2% (or, in the case of any such other amounts that do not relate to a particular Facility, the rate then applicable to ABR Loans under the Revolving Facility plus 2%), in each case, with respect to clauses (i) and (ii) above, from the date of such non-payment until such amount is paid in full (after as well as before judgment).

(d) Interest shall be payable in arrears on each Interest Payment Date, provided that interest accruing pursuant to paragraph (c) of this Section shall be payable from time to time on demand.

2.15. Computation of Interest and Fees. (a) Interest and fees payable pursuant hereto shall be calculated on the basis of a 360-day year for the actual days elapsed, except that, with respect to ABR Loans the rate of interest on which is calculated on the basis of the Prime Rate, the interest thereon shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of each determination of a Eurodollar Rate. Any change in the interest rate on a Loan resulting from a change in the ABR or the Eurocurrency Reserve Requirements shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on the Borrower and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrower, deliver to the Borrower a statement showing the quotations used by the Administrative Agent in determining any interest rate pursuant to Section 2.15(a).

2.16. Inability to Determine Interest Rate. If prior to the first day of any Interest Period:

(a) the Administrative Agent shall have determined (which determination shall be conclusive and binding upon the Borrower) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the Eurodollar Rate for such Interest Period, or

(b) the Administrative Agent shall have received notice from the Majority Facility Lenders in respect of the relevant Facility that the Eurodollar Rate determined or to be determined for such Interest Period will not adequately and fairly reflect the cost to such Lenders (as conclusively certified by such Lenders) of making or maintaining their affected Loans during such Interest Period,

the Administrative Agent shall give telecopy or telephonic notice thereof to the Borrower and the relevant Lenders as soon as practicable thereafter. If such notice is given (x) any Eurodollar Loans under the relevant Facility requested to be made on the first day of such Interest Period shall be made as ABR Loans, (y) any Loans under the relevant Facility that were to have been converted on the first day of such Interest Period to Eurodollar Loans shall be continued as ABR Loans and (z) any outstanding Eurodollar Loans under the relevant Facility shall be converted, on the last day of the then-current Interest Period, to ABR Loans. Until such notice has been withdrawn by the Administrative Agent (which notice shall be so withdrawn, by giving telecopy or telephonic notice thereof to the Borrower and the relevant Lenders, as soon as practicable after the relevant circumstances have ceased to be applicable), no further Eurodollar Loans under the relevant Facility shall be made or continued as such, nor shall the Borrower have the right to convert Loans under the relevant Facility to Eurodollar Loans.

2.17. Pro Rata Treatment and Payments. (a) Each borrowing by the Borrower from the Lenders hereunder, each payment by the Borrower on account of any commitment fee and any reduction of the Commitments shall be made pro rata according to the respective Term Percentages or Revolving Percentages, as the case may be, of the relevant Lenders.

(b) Each payment (including each prepayment) by the Borrower on account of principal of and interest on the Term Loans shall be made pro rata according to the respective outstanding principal amounts of the relevant Term Loans then held by the Term Lenders. The amount of each principal prepayment of the Term Loans shall be applied to reduce the then remaining installments of the Term Loans pro rata based upon the respective then remaining principal amounts thereof; provided, that optional prepayments shall be allocated to the installments of the Term Loans as directed by the Borrower. Amounts repaid or prepaid on account of the Term Loans may not be reborrowed.

(c) Each payment (including each prepayment) by the Borrower on account of principal of and interest on the Revolving Loans shall be made pro rata to the Revolving Lenders according to the respective outstanding principal amounts of the Revolving Loans then held by the Revolving Lenders.

(d) All payments (including prepayments) to be made by the Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made without setoff or counterclaim and shall be made prior to 12:00 Noon, New York City time, on the due date thereof to the Administrative Agent, for the account of the Lenders, at the Funding Office, in Dollars and in immediately available funds. The Administrative Agent shall distribute such payments to the Lenders promptly upon receipt in like funds as received. If any payment hereunder (other than payments on the Eurodollar Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day. If any payment on a Eurodollar Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event

such payment shall be made on the immediately preceding Business Day. In the case of any extension of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate during such extension.

(e) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent, on demand, such amount with interest thereon at a rate equal to the daily average Federal Funds Effective Rate for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this paragraph shall be conclusive in the absence of manifest error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days of such Borrowing Date, the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to ABR Loans under the relevant Facility, on demand, from the Borrower.

(f) Unless the Administrative Agent shall have been notified in writing by the Borrower prior to the date of any payment being made hereunder that the Borrower will not make such payment to the Administrative Agent, the Administrative Agent may assume that the Borrower is making such payment, and the Administrative Agent may, but shall not be required to, in reliance upon such assumption, make available to the Lenders their respective pro rata shares of a corresponding amount. If such payment is not made to the Administrative Agent by the Borrower within three Business Days of such required date, the Administrative Agent shall be entitled to recover, on demand, from each Lender to which any amount which was made available pursuant to the preceding sentence, such amount with interest thereon at the rate per annum equal to the daily average Federal Funds Effective Rate. Nothing herein shall be deemed to limit the rights of the Administrative Agent or any Lender against the Borrower.

2.18. Requirements of Law. (a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority made subsequent to the Restatement Effective Date:

(i) shall subject any Lender or Issuing Lender to any tax of any kind whatsoever with respect to this Agreement, any Letter of Credit, any Application or any Eurodollar Loan made by it, or change the basis of taxation of payments to such Lender or Issuing Lender in respect thereof (except for (A) Non-Excluded Taxes or (B) the imposition of, or changes in the rate of, Excluded Taxes);

(ii) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender that is not otherwise included in the determination of the Eurodollar Rate hereunder; or

(iii) shall impose on such Lender any other condition;

and the result of any of the foregoing is to increase the cost to such Lender or Issuing Lender, by an amount that such Lender or Issuing Lender deems to be material, of making, converting into, continuing or maintaining Eurodollar Loans, issuing or participating in Letters of Credit, or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the Borrower shall promptly pay such Lender or Issuing Lender, upon its demand, any additional amounts necessary to compensate such Lender or Issuing Lender for such increased cost or reduced amount receivable. If any Lender or Issuing Lender becomes entitled to claim any additional amounts pursuant to this paragraph, it shall promptly notify (no more frequently than quarterly) the Borrower (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital adequacy (whether or not having the force of law) from any Governmental Authority made subsequent to the Restatement Effective Date shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of its obligations hereunder or under or in respect of any Letter of Credit to a level below that which such Lender or such corporation could have achieved but for such adoption, change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy) by an amount deemed by such Lender to be material, then from time to time, after submission by such Lender to the Borrower (with a copy to the Administrative Agent) of a written request therefor (which may be submitted no more frequently than quarterly), the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender for such reduction; provided that the Borrower shall not be required to compensate a Lender pursuant to this paragraph for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor; and provided further that, if the circumstances giving rise to such claim have a retroactive effect, then such six-month period shall be extended to include the period of such retroactive effect.

(c) Notwithstanding anything herein to the contrary, (i) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or by United States or foreign regulatory authorities, in each case pursuant to Basel III, and (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder or issued in connection therewith or in implementation thereof, shall in each case be deemed to be a change in the Requirement of Law, regardless of the date enacted, adopted, issued or implemented.

(d) In determining any additional amounts payable pursuant to this Section 2.18, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable, provided that such Lender's determination of compensation owing under this Section 2.18 shall, absent manifest error, be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 2.18, shall give prompt written notice of such determination to the Borrower, which notice shall show the basis for calculation of such additional amounts. The obligations of the Borrower pursuant to this Section 2.18 shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.19. Taxes. (a) Except as otherwise required due to a Requirement of Law, all payments made by or on behalf of any Loan Party under this Agreement or any other Loan Documents shall be made free and clear of, and without deduction or withholding for or on account of, any present or future income, stamp or other taxes, levies, imposts, duties, charges, fees, deductions or withholdings, now or hereafter imposed, levied, collected, withheld or assessed by any Governmental Authority

("Taxes"). If any Taxes, excluding, with respect to the Administrative Agent or any Lender hereunder, (i) Taxes imposed on (or measured by) its net income or net profits (however denominated) and franchise taxes imposed on it by the United States, by any state thereof or by the jurisdiction (or any political subdivision thereof) under the laws of which it is organized or in which its principal office is located (or, in the case of such Lender, in which its applicable lending office is located) or as a result of a present or former connection between it and the jurisdiction of the Governmental Authority imposing such tax or any political subdivision or taxing authority thereof or therein (other than any such connection arising solely from it having executed, delivered or performed its obligations or received a payment under, or enforced, this Agreement or any other Loan Document), (ii) any branch profits Taxes imposed by the United States or any similar Tax imposed by any other jurisdiction described in clause (i) above, (iii) in the case of a Lender, any (1) United States withholding Taxes resulting from any Requirement of Law in effect on the date such Lender becomes a party to this Agreement (or designates a new lending office), except to the extent that such Lender's assignor (or such Lender) was entitled, at the time of assignment (or designation of the new lending office), to receive additional amounts from the Borrower with respect to such withholding Taxes pursuant to this paragraph, or (2) withholding Taxes that are attributable to such Lender's failure to comply with the requirements of paragraph (d) of this Section, and (iv) any United States withholding Taxes imposed pursuant to FATCA (all such excluded Taxes are "Excluded Taxes," and all Taxes other than Excluded Taxes are "Non-Excluded Taxes"), or Other Taxes are required to be withheld from any amounts payable to the Administrative Agent or any Lender, as determined in good faith by the applicable Withholding Agent, (x) such amounts shall be paid to the relevant Governmental Authority in accordance with applicable law and (y) the amounts so payable to the Administrative Agent or such Lender shall be increased to the extent necessary to yield to the Administrative Agent or such Lender (after payment of all Non-Excluded Taxes and Other Taxes) interest or any such other amounts payable hereunder or any other Loan Document at the rates or in the amounts specified in this Agreement or any other Loan Document as if such withholding or deduction had not been made.

(b) In addition, the Borrower shall pay any Other Taxes imposed on any Loan Party to the relevant Governmental Authority in accordance with applicable law.

(c) Whenever any Non-Excluded Taxes or Other Taxes are payable by the Borrower, as promptly as possible thereafter the Borrower shall send to the Administrative Agent for its own account or for the account of the relevant Lender, as the case may be, a certified copy of an original official receipt received by the Borrower showing payment thereof, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent. If (i) the Borrower fails to remit to the Administrative Agent the required receipts or other required documentary evidence required by the foregoing sentence or (ii) any Non-Excluded Taxes or Other Taxes are payable or paid by the Administrative Agent or any Lender, the Borrower shall indemnify, after written demand thereof, the Administrative Agent and the Lenders for such amounts and any incremental taxes, interest or penalties that may become payable by the Administrative Agent or any Lender with respect thereto.

(d) Any Lender that is not a "United States person" as defined by section 7701(a)(30) of the Code (a "Non-U.S. Lender") and that is entitled to an exemption from or reduction of any applicable withholding tax with respect to payments hereunder or under any other Loan Document shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable law as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the

Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, in the case of any withholding Tax other than United States federal withholding Tax, the completion, execution and submission of such forms shall not be required if in the Non-U.S. Lender's good faith judgment such completion, execution or submission would materially prejudice the legal position of such Non-U.S. Lender.

Without limiting the generality of the foregoing, any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent, but only if such Non-U.S. Lender is legally entitled to do so), whichever of the following is applicable:

(i) in the case of any Non-U.S. Lender claiming eligibility for the benefits of an income tax treaty to which the United States is a party, duly completed copies of Internal Revenue Service Form W-8BEN (or any successor form),

(ii) in the case of any Non-U.S. Lender claiming an exemption from United States federal withholding tax because the payments hereunder are effectively connected with a United States trade or business conducted by such Non-U.S. Lender, duly completed copies of Internal Revenue Service Form W-8ECI (or any successor form),

(iii) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Code, (x) a certificate to the effect that (A) such Non-U.S. Lender is not (i) a "bank" within the meaning of section 881(c)(3)(A) of the Code, (ii) a "10 percent shareholder" of the Borrower within the meaning of section 881(c)(3)(B) of the Code or (iii) a "controlled foreign corporation" described in section 881(c)(3)(C) of the Code and (B) the interest payment in question is not effectively connected with a United States trade or business conducted by such Lender (a "U.S. Tax Compliance Certificate") and (y) duly completed copies of Internal Revenue Service Form W-8BEN (or any successor form),

(iv) to the extent a Non-U.S. Lender is not the beneficial owner (for example, where the Non-U.S. Lender is a partnership or participating Lender granting a typical participation), an Internal Revenue Service Form W-8IMY (or any successor form), accompanied by an Internal Revenue Service Form W-8ECI (or any successor form), W-8BEN (or any successor form), U.S. Tax Compliance Certificate, Internal Revenue Service Form W-9 (or any successor form), and/or other certification documents from each beneficial owner, as applicable, or

(v) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in United States federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or Administrative Agent to determine the withholding or deduction required to be made.

Without limiting any of the foregoing, if a payment made to a Lender hereunder or under any other Loan Document would be subject to United States withholding Taxes imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Withholding

Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Withholding Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Withholding Agent as may be necessary for the Withholding Agent to comply with its obligations under FATCA, to determine that such Lender has or has not complied with such Lender's obligations under FATCA and, as necessary, to determine the amount to deduct and withhold from such payment under FATCA. Solely for purposes of this paragraph, "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees (x) to promptly notify the Borrower and the Administrative Agent of any change in circumstances which modify or render invalid any claimed exemption or reduction of withholding Taxes with respect to payments hereunder or under any other Loan Document, and (y) that if any form or certification previously delivered by it expires or becomes obsolete or inaccurate in any respect, it shall promptly update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so and promptly deliver any such other properly completed and executed form, certificate or documentation described in (i) through (v) above in order to confirm or establish the entitlement of such Lender to an exemption from or a reduction in withholding Taxes with respect to payments hereunder or under any other Loan Documents if such Lender is legally entitled to do so.

(e) Each Lender shall indemnify the Administrative Agent within 10 days after demand therefor, for the full amount of any Taxes attributable to such Lender that are payable or paid by the Administrative Agent, and reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error.

(f) If any Lender determines in its sole discretion exercised in good faith that it has received a refund of any Non-Excluded Taxes or Other Taxes paid or indemnified by the Borrower under this Section 2.19, such Lender shall pay the amount of such refund to the Borrower within 15 days of the date it received such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Borrower under this Section with respect to the Non-Excluded Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that the Borrower, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to such Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This paragraph shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrower or any other Person.

(g) The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.20. Indemnity. The Borrower agrees to indemnify each Lender and to hold each Lender harmless from any loss or expense that such Lender may sustain or incur as a consequence of (a) default by the Borrower in making a borrowing of, conversion into or continuation of Eurodollar Loans after the Borrower has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by the Borrower in making any prepayment of or conversion from Eurodollar Loans after the Borrower has given a notice thereof in accordance with the provisions of this Agreement

or (c) the making of a prepayment, or a conversion, of Eurodollar Loans on a day that is not the last day of an Interest Period with respect thereto. Such indemnification may include an amount equal to the excess, if any, of (i) the amount of interest that would have accrued on the amount so prepaid, or not so borrowed, converted or continued, for the period from the date of such prepayment or of such failure to borrow, convert or continue to the last day of such Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) that would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank eurodollar market. A certificate as to any amounts payable pursuant to this Section submitted to the Borrower by any Lender shall be conclusive in the absence of manifest error. This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

2.21. Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 2.18, 2.19(a) or 2.23 with respect to such Lender, it will use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event with the object of avoiding the consequences of such event; provided, that such designation is made on terms that, in the sole judgment of such Lender, cause such Lender and its lending office(s) to suffer no economic, legal or regulatory disadvantage, and provided, further, that nothing in this Section shall affect or postpone any of the obligations of any Borrower or the rights of any Lender pursuant to Section 2.18, 2.19(a) or 2.23.

2.22. Replacement of Lenders. The Borrower shall be permitted to replace with a replacement financial institution any Lender that (a) requests reimbursement for amounts owing pursuant to Section 2.18 or 2.19(a), (b) gives notice pursuant to Section 2.23 or (c) becomes a Defaulting Lender; provided that (i) such replacement does not conflict with any Requirement of Law, (ii) no Event of Default shall have occurred and be continuing at the time of such replacement, (iii) prior to any such replacement, such Lender shall have taken no action under Section 2.21 so as to eliminate the continued need for payment of amounts owing pursuant to Section 2.18 or 2.19(a) or the consequences of a notice delivered pursuant to Section 2.23, (iv) the replacement financial institution shall purchase, at par, all Loans and other amounts owing to such replaced Lender on or prior to the date of replacement, (v) the Borrower shall be liable to such replaced Lender under Section 2.20 if any Eurodollar Loan owing to such replaced Lender shall be purchased other than on the last day of the Interest Period relating thereto, (vi) the replacement financial institution, if not already a Lender, shall be reasonably satisfactory to the Administrative Agent, (vii) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 10.6 (provided that the Borrower shall be obligated to pay the registration and processing fee referred to therein), (viii) until such time as such replacement shall be consummated, the Borrower shall pay all additional amounts (if any) required pursuant to Section 2.18 or 2.19(a), as the case may be, and (ix) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender. Any such replacement with respect to a Defaulting Lender may involve a partial replacement of the Loans and/or Commitments of such Defaulting Lender, as determined by the Borrower with the consent of the Administrative Agent (which consent shall not be unreasonably withheld, delayed or conditioned).

2.23. Illegality. Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof shall make it unlawful for any Lender to make or maintain Eurodollar Loans as contemplated by this Agreement, (a) the commitment of such Lender hereunder to make Eurodollar Loans, continue Eurodollar Loans as such and convert ABR Loans to Eurodollar Loans shall forthwith be canceled and (b) such Lender's Loans then

outstanding as Eurodollar Loans, if any, shall be converted automatically to ABR Loans on the respective last days of the then current Interest Periods with respect to such Loans or within such earlier period as required by law. If any such conversion of a Eurodollar Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrower shall pay to such Lender such amounts, if any, as may be required pursuant to Section 2.20.

2.24. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Revolving Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Revolving Lender is a Defaulting Lender:

(a) commitment fees shall cease to accrue on the unfunded portion of the Revolving Commitment of such Defaulting Lender pursuant to Section 2.8(a);

(b) the Revolving Commitment and Revolving Extensions of Credit of such Defaulting Lender shall not be included in determining whether all Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 10.1), provided that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender differently than other affected Lenders shall require the consent of such Defaulting Lender;

(c) if any Swingline Exposure or LC Exposure exists at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of such Swingline Exposure and LC Exposure shall be reallocated among the non-Defaulting Revolving Lenders in accordance with their respective Revolving Percentages but only to the extent (x) the sum of all non-Defaulting Revolving Lenders' Revolving Extensions of Credit does not exceed the total of all non-Defaulting Revolving Lenders' Revolving Commitments and (y) the conditions set forth in Section 5.2 are satisfied at such time; and

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall within one Business Day following notice by the Administrative Agent (x) first, prepay such Defaulting Lender's Swingline Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) and (y) second, cash collateralize 100% of such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in a manner reasonably satisfactory to the Administrative Agent for so long as such LC Exposure is outstanding, the prepayment or cash collateralization of which may be financed with proceeds of Revolving Loans or Swingline Loans provided that the conditions precedent set forth in Section 5.2 are satisfied at such time;

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to Section 2.24(c), the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 3.3(a) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(iv) if the LC Exposure of the non-Defaulting Revolving Lenders is reallocated pursuant to Section 2.24(c), then the fees payable to the Revolving Lenders pursuant to Section 2.8(a) and 3.3(a) shall be adjusted in accordance with such non-Defaulting Revolving Lenders' Revolving Percentages; and

(v) if any such Defaulting Lender's LC Exposure is neither cash collateralized nor reallocated pursuant to Section 2.24(c), then, without prejudice to any rights or remedies of the Issuing Lender or any Lender hereunder, all letter of credit fees payable under Section 3.3(a) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuing Lender until such LC Exposure is cash collateralized and/or reallocated;

(d) the Swingline Lender shall not be required to fund any Swingline Loan and the Issuing Lender shall not be required to issue, amend or increase any Letter of Credit, unless it is reasonably satisfied that the related exposure will be 100% covered by the Revolving Commitments of the non-Defaulting Revolving Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 2.24(c), and participating interests in any such newly issued or increased Letter of Credit or newly made Swingline Loan shall be allocated among non-Defaulting Revolving Lenders in a manner consistent with Section 2.24(c)(i) (and any such Defaulting Lenders shall not participate therein); and

(e) any amount payable to such Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender pursuant to Section 10.7 but excluding Section 2.22) shall, in lieu of being distributed to such Defaulting Lender and without duplication, be retained by the Administrative Agent in a segregated interest-bearing account reasonably satisfactory to the Administrative Agent and the Borrower and, subject to any applicable requirements of law, be applied at such time or times as may be determined by the Administrative Agent (i) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, (ii) second, pro rata, to the payment of any amounts owing by such Defaulting Lender to the Issuing Lender or Swingline Lender hereunder, (iii) third, if so determined by the Administrative Agent or requested by an Issuing Lender or Swingline Lender, held in such account as cash collateral for existing or (unless such Defaulting Lender has no remaining unutilized Revolving Commitment) future funding obligations of the Defaulting Lender in respect of any existing or (unless such Defaulting Lender has no remaining unutilized Revolving Commitment) future participating interest in any Swingline Loan or Letter of Credit, (iv) fourth, to the funding of any Revolving Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent, (v) fifth, if so determined by the Administrative Agent and the Borrower, unless such Defaulting Lender has no remaining unutilized Revolving Commitment, held in such account as cash collateral for future funding obligations of the Defaulting Lender in respect of any Revolving Loans under this Agreement, (vi) sixth, to the payment of any amounts owing to the Issuing Lender or Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by the Issuing Lender or Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, (vii) seventh, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, and (viii) eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction, provided, that, with respect to this clause (viii), if such payment is (x) a prepayment of the principal amount of any Revolving Loans or Reimbursement Obligations in respect of LC Disbursements as to which a Defaulting Lender has funded its participation obligations and (y) made at a time when the conditions set forth in Section 5.2 are satisfied, such payment shall be applied solely to prepay the Revolving Loans of, and Reimbursement Obligations owed to, all non-Defaulting Revolving Lenders pro rata prior to being applied to the prepayment of any Revolving Loans of, or Reimbursement Obligations owed to, any Defaulting Lender.

(f) Upon not less than three Business Days' prior notice to such Defaulting Lender and the Administrative Agent (which the Administrative Agent will promptly provide to the Lenders, the Issuing Lender and the Swingline Lender), the Borrower shall have the right to terminate the then unused

Revolving Commitment of such Defaulting Lender, after taking into account the portion of such Revolving Commitment, if any, which theretofore has been, or substantially contemporaneous therewith is being, assigned pursuant to Section 2.22. In the event of any such termination, future extensions of credit under the Revolving Facility shall be allocated to the non-Defaulting Revolving Lenders in a manner that disregards the existence of any remaining Revolving Commitment of such Defaulting Lender.

In the event that the Administrative Agent, the Borrower, the Issuing Lender and the Swingline Lender each agrees that any such Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure and LC Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Commitment and on such date such Lender shall purchase at par such of the Revolving Loans of the other Lenders (other than Swingline Loans) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Revolving Percentage.

The provisions of this Agreement relating to funding, payment and other matters with respect to the Revolving Facility may be adjusted by the Administrative Agent, in consultation with the Borrower, to the extent necessary to give effect to the provisions of this Section 2.24. The provisions of this Section 2.24 may not be amended, supplemented or modified without, in addition to consents required by Section 10.1, the prior written consent of the Administrative Agent, the Swingline Lender, the Issuing Lender and the Borrower.

SECTION 3. LETTERS OF CREDIT

3.1. LC Commitments. (a) Subject to the terms and conditions hereof, the Issuing Lender, in reliance on the agreements of the LC Participants set forth in this Section 3, agrees to issue, on any Business Day, Letters of Credit for the account of the Borrower (including the account of the Borrower acting on behalf of any of its Subsidiaries) in such form as may be approved from time to time by the Issuing Lender; provided that the Issuing Lender shall have no obligation to issue any Letter of Credit if, after giving effect to such issuance, (i) the LC Obligations would exceed the Total Revolving Commitments or (ii) the aggregate amount of the Available Revolving Commitments would be less than zero. It is understood that the Existing Letters of Credit shall be deemed to constitute Letters of Credit hereunder. Each Letter of Credit shall (i) be denominated in Dollars or (if and to the extent agreed in writing from time to time between the Issuing Lender and the Borrower, and provided that no Alternative Currency Letter of Credit shall be issued if, after giving effect thereto, the Alternative Currency LC Exposure shall exceed the Alternative Currency LC Commitment) in one or more Alternative Currencies and (ii) expire no later than the earlier of (x) the first anniversary of its date of issuance and (y) the date that is five Business Days prior to the Revolving Scheduled Commitment Termination Date; provided that any Letter of Credit with a one-year term may provide for the renewal thereof for additional one-year periods (which shall in no event extend beyond the date referred to in clause (y) above; provided, however, that the Administrative Agent and the Issuing Lender may agree (such agreement not to be unreasonably withheld, delayed or conditioned) with respect to any Letter of Credit that clause (y) above shall not be applicable to such extensions so long as no later than the first date on which such Letter of Credit is permitted to extend beyond the date set forth in clause (y), such Letter of Credit shall be either cash collateralized at 102% of face value, or supported by a back-to-back letter of credit (in each case, in the relevant currency) in form and substance reasonably satisfactory to the Administrative Agent and the Issuing Lender).

(b) Each Letter of Credit shall be subject to the Uniform Customs and, to the extent not inconsistent therewith, the laws of the State of New York.

(c) The Issuing Lender shall not at any time be obligated to issue any Letter of Credit hereunder if such issuance would conflict with, or cause the Issuing Lender or any LC Participant to exceed any limits imposed by, any applicable Requirement of Law.

3.2. Procedure for Issuance of Letter of Credit. The Borrower may from time to time request that the Issuing Lender issue a Letter of Credit by delivering to the Issuing Lender at its address for notices specified herein an Application therefor (and, with respect to Letters of Credit, delivery of a copy of such Application to the Administrative Agent), completed to the satisfaction of the Issuing Lender, and such other certificates, documents and other papers and information as the Issuing Lender may reasonably request. Upon receipt of any Application, the Issuing Lender will process such Application and the certificates, documents and other papers and information delivered to it in connection therewith in accordance with its customary procedures and shall promptly issue the Letter of Credit requested thereby (but in no event shall the Issuing Lender be required to issue any Letter of Credit earlier than three Business Days after its receipt of the Application therefor and all such other certificates, documents and other papers and information relating thereto) by issuing the original of such Letter of Credit to the beneficiary thereof or as otherwise may be agreed to by the Issuing Lender and the Borrower. The Issuing Lender shall furnish a copy of such Letter of Credit to the Borrower (and, with respect to Letters of Credit, to the Administrative Agent) promptly following the issuance thereof. The Issuing Lender shall promptly furnish to the Administrative Agent, which shall in turn promptly furnish to the Lenders, notice of the issuance of each Letter of Credit (including the amount and stated maturity thereof).

3.3. Fees and Other Charges. (a) The Borrower will pay a Letter of Credit fee calculated at a per annum rate equal to the Applicable Margin then in effect with respect to Eurodollar Loans under the Revolving Facility and payable on the portion that is available for drawing of the face amount of all outstanding Letters of Credit, shared ratably among the Revolving Lenders and payable quarterly in arrears on each LC Fee Payment Date. In addition, the Borrower shall pay to the Issuing Lender for its own account a fronting fee of 0.125% per annum on the undrawn and unexpired amount of each Letter of Credit that is available for drawing, payable quarterly in arrears on each LC Fee Payment Date.

(b) In addition to the foregoing fees, the Borrower shall pay or reimburse the Issuing Lender for such normal and customary costs and expenses as are incurred or charged by the Issuing Lender in issuing, negotiating, effecting payment under, amending or otherwise administering any Letter of Credit.

3.4. LC Participations. (a) The Issuing Lender irrevocably agrees to grant and hereby grants to each LC Participant, and, to induce the Issuing Lender to issue Letters of Credit hereunder, each LC Participant irrevocably agrees to accept and purchase and hereby accepts and purchases from the Issuing Lender, on the terms and conditions hereinafter stated, for such LC Participant's own account and risk an undivided interest equal to such LC Participant's Revolving Percentage in the Issuing Lender's obligations and rights under each Letter of Credit (including, for the avoidance of doubt, any portion of an Existing Letter of Credit deemed to be a Letter of Credit in accordance with Section 3.1 and as indicated on Schedule 1.1) issued hereunder and the amount of each draft paid by the Issuing Lender thereunder. Each LC Participant unconditionally and irrevocably agrees with the Issuing Lender that, if a draft is paid under any Letter of Credit for which the Issuing Lender is not reimbursed in full by the Borrower in accordance with the terms of this Agreement, such LC Participant shall pay to the Administrative Agent for the account of the Issuing Lender upon demand at the Administrative Agent's address for notices

specified herein (and thereafter the Administrative Agent shall promptly pay to the Issuing Lender) an amount equal to such LC Participant's Revolving Percentage of the relevant LC Disbursement (or, in the case of an Alternative Currency Letter of Credit, the Dollar Equivalent thereof), or any part thereof, that is not so reimbursed.

(b) If any amount required to be paid by any LC Participant to the Issuing Lender pursuant to Section 3.4(a) in respect of any unreimbursed portion of any payment made by the Issuing Lender under any Letter of Credit is paid to the Issuing Lender within three Business Days after the date such payment is due, the Issuing Lender shall so notify the Administrative Agent, who shall promptly notify the LC Participants, and each such LC Participant shall pay to the Administrative Agent, for the account of the Issuing Lender, on demand (and thereafter the Administrative Agent shall promptly pay to the Issuing Lender) an amount equal to the product of (i) such amount, times (ii) the daily average Federal Funds Effective Rate during the period from and including the date such payment is required to the date on which such payment is immediately available to the Issuing Lender, times (iii) a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360. If any such amount required to be paid by any LC Participant pursuant to Section 3.4(a) is not made available to the Administrative Agent for the account of the Issuing Lender by such LC Participant within three Business Days after the date such payment is due, the Administrative Agent on behalf of the Issuing Lender shall be entitled to recover from such LC Participant, on demand, such amount with interest thereon calculated from such due date at the rate per annum applicable to ABR Loans under the Revolving Facility. A certificate of the Administrative Agent submitted on behalf of the Issuing Lender to any LC Participant with respect to any amounts owing under this Section shall be conclusive in the absence of manifest error.

(c) Whenever, at any time after the Issuing Lender has made payment under any Letter of Credit and has received from the Administrative Agent any LC Participant's pro rata share of such payment in accordance with Section 3.4(a), the Issuing Lender receives any payment related to such Letter of Credit (whether directly from the Borrower or otherwise, including proceeds of collateral applied thereto by the Issuing Lender), or any payment of interest on account thereof, the Issuing Lender will distribute to the Administrative Agent for the account of such LC Participant (and thereafter the Administrative Agent will promptly distribute to such LC Participant) its pro rata share thereof; provided, however, that in the event that any such payment received by the Issuing Lender shall be required to be returned by the Issuing Lender, such LC Participant shall return to the Administrative Agent for the account of the Issuing Lender (and thereafter the Administrative Agent shall promptly return to the Issuing Lender) the portion thereof previously distributed by the Issuing Lender.

(d) Each LC Participant's obligation to purchase participating interests pursuant to Section 3.4(a) shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right that such LC Participant or the Borrower may have against the Issuing Lender, the Borrower or any other Person for any reason whatsoever; (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Section 5; (iii) any adverse change in the condition (financial or otherwise) of the Borrower; (iv) any breach of this Agreement or any other Loan Document by the Borrower, any other Loan Party or any other Lender; or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

3.5. Reimbursement Obligation of the Borrower. (a) The Borrower agrees to reimburse the Issuing Lender in accordance with this Section upon notification to the Borrower of the date and amount of a draft presented under any Letter of Credit and paid by the Issuing Lender for the amount of (i) such draft so paid (an "LC Disbursement") and (ii) any taxes, fees, charges or other reasonable costs or expenses incurred by the Issuing Lender in connection with such payment.

(b) If the Borrower is notified as provided in the immediately preceding sentence by 2:00 P.M., New York City time, on any day, then the Borrower shall so reimburse the Issuing Lender by 12:00 Noon, New York City time, on the next succeeding Business Day, and, if so notified after 2:00 P.M., New York City time, on any day, the Borrower shall so reimburse the Issuing Lender by 12:00 Noon, New York City time, on the second succeeding Business Day.

(c) Each drawing under a Letter of Credit shall (unless an event of the type described in Section 8(f) shall have occurred and be continuing with respect to the Borrower, in which case the procedures set forth in Section 3.4 for the funding of participations shall apply, and other than an LC Disbursement in respect of an Alternative Currency Letter of Credit) constitute a request by the Borrower to the Administrative Agent for a borrowing, in the amount of such drawing of ABR Revolving Loans pursuant to Section 2.5 (or, at the option of the Administrative Agent and the Swingline Lender in their sole discretion, a borrowing of Swingline Loans pursuant to Section 2.6). The Borrowing Date with respect to any such borrowing shall be the first date on which a borrowing of Revolving Loans (or, if applicable, Swingline Loans) could be made pursuant to Section 2.5 (or, if applicable, Section 2.7) if the Administrative Agent had received a notice of such borrowing at the time of such drawing under such Letter of Credit.

(d) Each payment under this Section 3.5 shall be made to the Issuing Lender at its address for notices specified herein in immediately available funds in (i) in the case of any Letter of Credit which is not an Alternative Currency Letter of Credit, Dollars, and (ii) in the case of any Alternative Currency Letter of Credit, the relevant Alternative Currency. Interest shall be payable on any and all amounts remaining unpaid by the Borrower under this Section from the date such amounts become payable (whether at stated maturity, by acceleration or otherwise) until payment in full, at the rate set forth in (i) until the second Business Day following the date of payment of the applicable drawing, Section 2.14(b) and (ii) thereafter, Section 2.14(c), in each case payable on demand. If the Borrower's reimbursement of, or obligation to reimburse, any amounts in any Alternative Currency would subject the Administrative Agent, the Issuing Lender or any Revolving Lender to any stamp duty, ad valorem charge or similar tax that would not be payable if such reimbursement were made or required to be made in Dollars, the Borrower shall, at its option, either (i) pay the amount of any such tax requested by the Administrative Agent, the Issuing Lender or such Revolving Lender, as the case may be, or (ii) reimburse each LC Disbursement made in such Alternative Currency in Dollars, in an amount equal to the Dollar Equivalent of such LC Disbursement. If the Borrower fails to reimburse the Issuing Lender for the amount of any LC Disbursement in respect of an Alternative Currency Letter of Credit, (i) automatically and with no further action required, the Borrower's obligation to reimburse the applicable LC Disbursement shall be permanently converted into an obligation to reimburse the Dollar Equivalent of such LC Disbursement and (ii) the Administrative Agent shall notify the Issuing Lender and each Revolving Lender of the applicable LC Disbursement, the Dollar Equivalent thereof, the payment then due from the Borrower in respect thereof and such Lender's Revolving Percentage thereof.

3.6. Obligations Absolute. The Borrower's obligations under this Section 3 shall be absolute and unconditional under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment that the Borrower may have or have had against the Issuing Lender, any beneficiary of a Letter of Credit or any other Person. The Borrower also agrees with the Issuing Lender that the Issuing Lender shall not be responsible for, and the Borrower's Reimbursement Obligations under Section 3.5 shall not be affected by, among other things, the validity or genuineness of documents or of any endorsements thereon, even though such documents shall in fact prove to be invalid, fraudulent or forged, or any dispute between or among the Borrower and any beneficiary of any Letter of Credit or any other party to which such Letter of Credit may be transferred or any claims whatsoever of the Borrower against any beneficiary of such Letter of Credit or any such transferee. The Issuing Lender shall not be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message

or advice, however transmitted, in connection with any Letter of Credit, except for errors or omissions constituting gross negligence or willful misconduct of the Issuing Lender. The Borrower agrees that any action taken or omitted by the Issuing Lender under or in connection with any Letter of Credit or the related drafts or documents, if done in the absence of gross negligence or willful misconduct and in accordance with the standards of care specified in the Uniform Customs and, to the extent not inconsistent therewith, the Uniform Commercial Code of the State of New York, shall be binding on the Borrower and shall not result in any liability of the Issuing Lender to the Borrower.

3.7. Letter of Credit Payments. If any draft shall be presented for payment under any Letter of Credit, the Issuing Lender shall promptly notify the Borrower and the Administrative Agent of the date and amount thereof. The responsibility of the Issuing Lender to the Borrower in connection with any draft presented for payment under any Letter of Credit shall, in addition to any payment obligation expressly provided for in such Letter of Credit, be limited to determining that the documents (including each draft) delivered under such Letter of Credit in connection with such presentment are substantially in conformity with such Letter of Credit.

3.8. Applications. To the extent that any provision of any Application related to any Letter of Credit is inconsistent with the provisions of this Section 3, the provisions of this Section 3 shall apply.

SECTION 4. REPRESENTATIONS AND WARRANTIES

To induce the Administrative Agent and the Lenders to enter into this Agreement and to make the Loans and issue or participate in the Letters of Credit, the Borrower hereby represents and warrants to the Administrative Agent and each Lender that:

4.1. Financial Condition. The audited consolidated balance sheet of the Borrower as at December 31, 2010, and the related consolidated statements of earnings, stockholder's equity and cash flows for the fiscal year ended on such date, reported on by and accompanied by an unqualified report from Grant Thornton LLP, present fairly the consolidated financial condition of the Borrower as at such date, and the consolidated results of its earnings and its consolidated cash flows for the fiscal year then ended. The unaudited consolidated balance sheet of the Borrower as at March 31, 2011, and the related unaudited consolidated statements of earnings and cash flows for the three-month period ended on such date, present fairly the consolidated financial condition of the Borrower as at such date, and the consolidated results of its earnings and its consolidated cash flows for the three-month period then ended (subject to normal year-end audit adjustments and the absence of footnotes). Such financial statements have been prepared in accordance with GAAP applied consistently throughout the periods involved (except as approved by the aforementioned firm of accountants and disclosed therein).

4.2. No Change. Since December 31, 2010 there has been no development or event that has had or could reasonably be expected to have a Material Adverse Effect.

4.3. Existence; Compliance with Law. Each of the Borrower and its Subsidiaries (a) is duly organized, validly existing and in good standing, if applicable, under the laws of the jurisdiction of its organization, (b) has the corporate (or similar) power and authority, and the legal right, to own and operate its property, to lease the property it operates as lessee and to conduct the business in which it is currently engaged, (c) is duly qualified as a foreign corporation or other entity and in good standing under the laws of each jurisdiction where its ownership, lease or operation of property or the conduct of its business requires such qualification, except to the extent that the failure to be so qualified and in good standing could not, in the aggregate, reasonably be expected to have a Material Adverse

Effect, and (d) is in compliance with all Requirements of Law except to the extent that the failure to comply therewith could not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

4.4. Power; Authorization; Enforceable Obligations. Each Loan Party has the corporate (or similar) power and authority, and the legal right, to make, deliver and perform the Loan Documents to which it is a party and, in the case of the Borrower, to borrow hereunder. Each Loan Party has taken all necessary corporate (or similar) action to authorize the execution, delivery and performance of the Loan Documents to which it is a party and, in the case of the Borrower, to authorize the borrowings on the terms and conditions of this Agreement. No consent or authorization of, filing with, notice to or other act by or in respect of, any Governmental Authority or any other Person is required to be obtained or made by any Loan Party in connection with the borrowings hereunder or with the execution, delivery, performance, validity or enforceability of this Agreement or any of the Loan Documents, except (i) consents, authorizations, filings and notices which have been or will be obtained or made and are in full force and effect on the Restatement Effective Date, (ii) the filings referred to in Section 4.19, (iii) filings with the SEC that may be required to be made following the execution and delivery hereof in connection herewith and (iv) immaterial consents, authorizations, filings and notices. Each Loan Document has been duly executed and delivered on behalf of each Loan Party party thereto. This Agreement constitutes, and each other Loan Document upon execution will constitute, a legal, valid and binding obligation of each Loan Party party thereto, enforceable against each such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

4.5. No Legal Bar. The execution, delivery and performance by each Loan Party of this Agreement and the other Loan Documents to which it is a party, the issuance of Letters of Credit, the borrowings hereunder and the use of the proceeds thereof will not violate any Requirement of Law or any material Contractual Obligation of the Borrower or any of its Subsidiaries and will not result in, or require, the creation or imposition of any Lien on any of their respective properties or revenues pursuant to any Requirement of Law or any such Contractual Obligation (other than the Liens created by the Security Documents). No violation of any Requirement of Law or Contractual Obligation applicable to the Borrower or any of its Subsidiaries could reasonably be expected to have a Material Adverse Effect.

4.6. Litigation. Except as set forth on Schedule 4.6, no litigation, investigation or proceeding of or before any arbitrator or Governmental Authority is pending or, to the knowledge of the Borrower, threatened in writing by or against the Borrower or any of its Subsidiaries or against any of their respective properties or revenues (a) with respect to any of the Loan Documents or any of the transactions contemplated hereby or thereby, or (b) that could reasonably be expected to have a Material Adverse Effect.

4.7. No Default. Neither the Borrower nor any of its Subsidiaries is in default under or with respect to any of its Contractual Obligations in any respect that could reasonably be expected to have a Material Adverse Effect. No Default or Event of Default has occurred and is continuing.

4.8. Ownership of Property; Liens. Each of the Borrower and its Subsidiaries has title in fee simple to, or a valid leasehold interest in, all its material real property, and good title to, or a valid leasehold interest in, all its other material property, and none of such property is subject to any Lien except as permitted by Section 7.3.

4.9. Intellectual Property. The Borrower and each of its Subsidiaries owns, or is licensed to use, all Intellectual Property necessary for the conduct of its business as currently conducted. No material claim has been asserted and is pending by any Person challenging or questioning the use of

any Intellectual Property or the validity or effectiveness of any Intellectual Property, nor does the Borrower know of any valid basis for any such claim. The use of Intellectual Property by the Borrower and its Subsidiaries does not infringe on the rights of any Person in any material respect.

4.10. Taxes. (a) The Borrower and each of its Subsidiaries has filed or caused to be filed all Federal, state and other material tax returns that are required to be filed and has paid all material Taxes shown to be due and payable on said returns or on any assessments made against it or any of its property and all other material Taxes imposed on it or any of its property by any Governmental Authority to the extent due and payable (other than any the amount or validity of which are currently being contested in good faith by appropriate proceedings and with respect to which reserves in conformity with GAAP have been provided on the books of the Borrower or its Subsidiaries, as the case may be) and (b) except for Liens for Taxes not yet delinquent, no material Tax Lien has been filed, and, to the knowledge of the Borrower, no claim is being asserted in writing, that could give rise to a material Tax Lien for any unpaid Tax on any asset or property of the Borrower or its Subsidiaries, except to the extent that the validity thereof is being contested in good faith pursuant to appropriate proceedings and with respect to which reserves in conformity with GAAP have been provided on the books of the Borrower or its Subsidiaries, as the case may be.

4.11. Federal Regulations. No part of the proceeds of any Loans will be used for “buying” or “carrying” any “margin stock” within the respective meanings of each of the quoted terms under Regulation U as now and from time to time hereafter in effect except in compliance with the provisions of the Regulations of the Board. If requested by any Lender or the Administrative Agent, the Borrower will furnish to the Administrative Agent and each Lender a statement to the foregoing effect in conformity with the requirements of FR Form G-3 or FR Form U-1, as applicable, referred to in Regulation U.

4.12. Labor Matters. Except as, in the aggregate, could not reasonably be expected to have a Material Adverse Effect: (a) there are no strikes or other labor disputes against the Borrower or any of its Subsidiaries pending or, to the knowledge of the Borrower, threatened; (b) hours worked by and payment made to employees of the Borrower and its Subsidiaries have not been in violation of the Fair Labor Standards Act or any other applicable Requirement of Law dealing with such matters; and (c) all payments due from the Borrower or any of its Subsidiaries on account of employee health and welfare insurance have been paid or accrued as a liability on the books of the Borrower or the relevant Subsidiary.

4.13. ERISA. Except as, in the aggregate, would not reasonably be expected to have a Material Adverse Effect, during the five-year period prior to the date on which this representation is made or deemed made, (a) no Reportable Event has occurred with respect to any Single Employer Plan, (b) no non-exempt “prohibited transaction” (within the meaning of Section 406 of ERISA or Section 4975 of the Code) has occurred with respect to any Plan for which the Borrower or any Commonly Controlled Entity is liable; (c) no Single Employer Plan has had an “accumulated funding deficiency” or has failed to satisfy the “minimum funding standards” (each within the meaning of Section 412 of the Code or Section 302 of ERISA), whether or not waived; (d) each Plan has complied in all material respects with the applicable provisions of ERISA and the Code; (e) no Single Employer Plan has been determined to be, or expected to be, in “at risk” status (within the meaning of Section 430 of the Code or Section 303 of ERISA); (f) no termination of a Single Employer Plan has occurred; (g) no Lien against the Borrower or any Commonly Controlled Entity and in favor of the PBGC or a Single Employer Plan has arisen; (h) the actuarial present value of the accumulated plan benefits of each Single Employer Plan (determined utilizing the assumptions used for purposes of Accounting Standards Codification No. 715 or 960) did not exceed the fair market value of the assets of such Single Employer Plan allocable to such accrued benefits; (i) neither the Borrower nor any Commonly Controlled Entity has incurred or, to the knowledge of the Borrower, is reasonably expected to incur, any withdrawal liability to any Multiemployer Plan; and

(j) neither the Borrower nor any Commonly Controlled Entity has received notice concerning the imposition of withdrawal liability or a determination that a Multiemployer Plan is, or is expected to be, in Reorganization, Insolvent, or in endangered or critical status (within the meaning of Section 432 of the Code or Section 305 or Title IV of ERISA).

4.14. Investment Company Act; Other Regulations. No Loan Party is an “investment company”, or a company “controlled” by an “investment company”, within the meaning of the Investment Company Act of 1940, as amended. No Loan Party is subject to regulation under any Requirement of Law (other than Regulation X of the Board) that limits its ability to incur Indebtedness.

4.15. Subsidiaries. Except as disclosed to the Administrative Agent by the Borrower in writing from time to time, (a) Schedule 4.15 sets forth the name and jurisdiction of incorporation of each Subsidiary and, as to each such Subsidiary, the percentage of each class of Capital Stock owned by any Loan Party and (b) there are no outstanding subscriptions, options, warrants, calls, rights or other agreements or commitments (other than stock options granted to employees, independent contractors or directors and directors’ qualifying shares) of any nature relating to any Capital Stock of any Subsidiary, except as created by the Loan Documents or as set forth on Schedule 4.15.

4.16. Use of Proceeds. The proceeds of the Term Loans shall be used to refinance Indebtedness of the Borrower under the Existing Credit Agreement, and the proceeds of the Revolving Loans and the Swingline Loans, and the Letters of Credit, shall be used for general corporate purposes.

4.17. Environmental Matters. Except as, in the aggregate, could not reasonably be expected to have a Material Adverse Effect:

(a) the facilities and properties owned, leased or operated by the Borrower or any of its Subsidiaries (the “Properties”) do not contain any Materials of Environmental Concern in amounts or concentrations or under circumstances that constitute or constituted a violation by Borrower or its Subsidiaries of, or could give rise to liability of Borrower or its Subsidiaries under, any Environmental Law;

(b) neither the Borrower nor any of its Subsidiaries has received any notice of, or is otherwise aware of, any violation, alleged violation, non-compliance, liability or potential liability regarding environmental matters or compliance with Environmental Laws with regard to any of the Properties or the business presently or formerly operated by the Borrower or any of its Subsidiaries (the “Business”), nor does the Borrower have knowledge or reason to believe that any such notice will be received or is being threatened;

(c) Materials of Environmental Concern have not been transported or disposed of by or on behalf of the Borrower or its Subsidiaries from the Properties or otherwise in connection with the Business, in violation of, or in a manner or to a location that could give rise to liability under, any Environmental Law, nor have any Materials of Environmental Concern been generated, treated, stored, or disposed of, or have otherwise come to be located at, on or under any of the Properties in violation of, or in a manner that could give rise to liability under, any applicable Environmental Law;

(d) no judicial proceeding or governmental or administrative action is pending or, to the knowledge of the Borrower, threatened, under any Environmental Law to which the Borrower or any Subsidiary is or will be named as a party with respect to the Properties or the Business, nor are there any consent decrees or other decrees, consent orders, administrative orders or other

orders, or other administrative or judicial requirements outstanding under any Environmental Law with respect to the Properties or the Business;

(e) there has been no release or threat of release of Materials of Environmental Concern at, to, on, under or from the Properties or arising from or related to the operations of the Borrower or any Subsidiary in connection with the Properties or otherwise in connection with the Business, in violation of or in amounts or in a manner that could give rise to liability of Borrower or its Subsidiaries under Environmental Laws;

(f) the Borrower, its Subsidiaries, the Business, the Properties and all operations at the Properties are in compliance and have in the last five years been in compliance with all applicable Environmental Laws, and there is no contamination at, under or about the Properties or violation of any Environmental Law with respect to the Properties or the Business; and

(g) neither the Borrower nor any of its Subsidiaries has, by contract or by operation of law, assumed any liability of any other Person or agreed to indemnify any other person for liability under Environmental Laws.

4.18. Accuracy of Information, etc. (a) No statement or information contained in this Agreement, any other Loan Document or any other document, certificate or statement furnished by or on behalf of any Loan Party to the Administrative Agent or the Lenders, or any of them, for use in connection with the transactions contemplated by this Agreement or the other Loan Documents, contained as of the date such statement, information, document or certificate was so furnished (or if otherwise specified herein or therein, as of such date), any untrue statement of a material fact or omitted to state a material fact necessary to make the statements contained herein or therein not misleading in light of the circumstances under which such statements were made. The projections and pro forma financial information contained in the materials referenced above are based upon good faith estimates and assumptions believed by management of the Borrower to be reasonable at the time made, it being recognized by the Lenders that such financial information as it relates to future events is not to be viewed as fact and that actual results during the period or periods covered by such financial information may differ from the projected results set forth therein by a material amount. There is no fact known to any Loan Party that could reasonably be expected to have a Material Adverse Effect that has not been expressly disclosed herein, in the other Loan Documents, in the Confidential Information Memorandum or in any other documents, certificates and statements furnished to the Administrative Agent and the Lenders for use in connection with the transactions contemplated hereby and by the other Loan Documents.

(b) The Annual Report on Form 10-K of the Borrower for the year ended December 31, 2010 (the "SEC Report") as of its filing date complied in all material respects with the applicable requirements of the Securities Exchange Act of 1934, as amended, and the applicable rules and regulations promulgated thereunder. The SEC Report at the time of filing did not contain any untrue statements of material fact or omitted a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. Forward looking statements and other statements contained in the SEC Report are subject to the cautionary language and risk factors contained in the SEC Report.

4.19. Security Documents. (a) The Guarantee and Collateral Agreement is effective to create in favor of the Administrative Agent, for the benefit of the Secured Parties, a legal, valid and enforceable security interest in the Collateral described in Section 3 thereof and proceeds of such Collateral. In the case of (i) the Pledged Equity Interests described in the Guarantee and Collateral Agreement, when stock certificates representing such certificated Pledged Equity Interests are delivered

to the Administrative Agent or when financing statements in appropriate form are filed in the offices specified on Schedule 4.19(a) and (ii) the other Collateral described in the Guarantee and Collateral Agreement, when financing statements and other filings specified on Schedule 4.19(a) (or otherwise notified to the Administrative Agent) in appropriate form are filed in the offices specified on Schedule 4.19(a) (or otherwise notified to the Administrative Agent), the Guarantee and Collateral Agreement shall constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Loan Parties in such Collateral (other than motor vehicles, aircraft, vessels, Deposit Accounts (as defined in the Guarantee and Collateral Agreement), leasehold estates in real property and intellectual property registrations outside the United States) and the proceeds thereof, as security for the Obligations (as defined in the Guarantee and Collateral Agreement), in each case prior and superior in right to any other Person (except, in the case of Collateral other than Pledged Equity Interests, Liens permitted by Section 7.3).

(b) Each of the Mortgages is effective to create in favor of the Administrative Agent, for the benefit of the Secured Parties, a legal, valid and enforceable Lien on the Mortgaged Properties described therein and proceeds thereof and constitute a fully perfected Lien on, and security interest in, all right, title and interest of the Loan Parties in such Mortgaged Properties and the proceeds thereof, as security for the Obligations (as defined in the relevant Mortgage), in each case prior and superior in right to any other Person except Liens permitted by Section 7.3. Schedule 4.19(b) lists, as of the Restatement Effective Date, each parcel of owned real property located in the United States and held by the Borrower or any of its Subsidiaries that has a value, in the reasonable opinion of the Borrower, in excess of \$750,000.

4.20. Solvency. Each Loan Party is Solvent on the Restatement Effective Date and will continue to be, Solvent.

4.21. Senior Indebtedness. The Obligations constitute "Senior Indebtedness" of the Borrower under and as defined in each Senior Subordinated Note Indenture, if any. The obligations of each Subsidiary Guarantor under the Guarantee and Collateral Agreement constitute "Guarantor Senior Indebtedness" of such Subsidiary Guarantor under and as defined in each Senior Subordinated Note Indenture, if any.

4.22. Regulation H. No Mortgage encumbers improved real property that is located in an area that has been identified by the Secretary of Housing and Urban Development as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968.

4.23. Insurance. Each of the Borrower and its Subsidiaries is insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as are prudent and customary in the businesses in which it is engaged; and none of the Borrower or any of its Subsidiaries (a) has received notice from any insurer or agent of such insurer that substantial capital improvements or other material expenditures will have to be made in order to continue such insurance or (b) has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers at a cost that could not reasonably be expected to have a Material Adverse Effect.

4.24. Lease Payments. Each of the Borrower and its Subsidiaries has paid all payments required to be made by it within any specified grace periods under leases of real property where any of the Collateral is or may be located from time to time (other than any the amount or validity of which are currently being contested in good faith by appropriate proceedings and with respect to which reserves in conformity with GAAP have been provided on the books of the Borrower or such Subsidiary,

as the case may be), except as could not reasonably be expected to have a Material Adverse Effect; no landlord Lien has been filed, and, to the knowledge of the Borrower, no claim is being asserted, with respect to any such payments, in each case that could, when taken together with any other such liens or claims, reasonably be expected to have a Material Adverse Effect.

SECTION 5. CONDITIONS PRECEDENT

5.1. Conditions to Effectiveness. The effectiveness of this Agreement is subject to the satisfaction, prior to or concurrently with the making of the Term Loans on the Restatement Effective Date, of the following conditions precedent:

(a) Loan Documents. The Administrative Agent shall have received (i) this Agreement, executed and delivered by a duly authorized officer of the Borrower and each Lender and (ii) a reaffirmation with respect to the Guarantee and Collateral Agreement and the Intellectual Property Security Agreement, executed and delivered by a duly authorized officer of each relevant Loan Party.

(b) Closing Certificate. The Administrative Agent shall have received a certificate of the Borrower and each Subsidiary Guarantor, dated the Restatement Effective Date, substantially in the form of Exhibit C, with appropriate insertions and attachments.

(c) Fees. The Lenders, the Joint Lead Arrangers and each Agent shall have received all fees required to be paid, and all expenses for which invoices have been presented (including, without limitation, the reasonable fees, disbursements and other charges of counsel to the Agents), on or before the Restatement Effective Date. All such amounts may be paid with proceeds of Loans made on the Restatement Effective Date and will be reflected in the funding instructions given by the Borrower to the Administrative Agent on or before the Restatement Effective Date.

(d) Legal Opinion. The Administrative Agent shall have received legal opinions of Fulbright & Jaworski L.L.P., counsel to the Borrower and its Subsidiaries, and such other local counsel as may be reasonably required by the Administrative Agent, in each case covering such matters as the Administrative Agent may reasonably request.

5.2. Conditions to Each Extension of Credit. The agreement of each Lender to make any extension of credit (including any Incremental Term Loan) requested to be made by it on any date (including its initial extension of credit) is subject to the satisfaction of the following conditions precedent:

(a) Representations and Warranties. Each of the representations and warranties made by any Loan Party in or pursuant to the Loan Documents shall be true and correct in all material respects on and as of such date as if made on and as of such date (unless such representations expressly relate to an earlier date, in which case they shall be true and correct in all material respects on and as of such earlier date).

(b) No Default. No Default or Event of Default shall have occurred and be continuing on such date or after giving effect to the extensions of credit requested to be made on such date.

Each borrowing by and issuance, increase or extension of a Letter of Credit on behalf of the Borrower hereunder shall constitute a representation and warranty by the Borrower as of the date of such borrowing

SECTION 9. THE AGENTS

9.1. Appointment. Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

9.2. Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys in-fact selected by it with reasonable care.

9.3. Exculpatory Provisions. Neither any Agent nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any Lender to

ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party.

9.4. Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or conversation believed in good faith by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

9.5. Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent has received notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all Lenders); provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

9.6. Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its extensions of credit hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with

any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or affiliates.

9.7. Indemnification. The Lenders agree to indemnify each Agent and each Joint Lead Arranger in its capacity as such (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so), ratably according to their respective Aggregate Exposure Percentages in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Aggregate Exposure Percentages immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of, the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent or such Joint Lead Arranger, as the case may be, under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's or such Joint Lead Arranger's, as the case may be, gross negligence or willful misconduct. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder.

9.8. Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Agent was not an Agent. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued or participated in by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

9.9. Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent upon 10 days' notice to the Lenders and the Borrower. If (a) the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents or (b) either (i) the Administrative Agent is a Lender and is a Defaulting Lender or (ii) the Administrative Agent is not a Lender and satisfies the circumstances described in clause (b) of the definition of Defaulting Lender, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 8(a) or Section 8(f) with respect to the Borrower shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld, delayed or conditioned), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" shall mean such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is 10 days following a retiring Administrative Agent's notice of resignation or its designation as a Defaulting Lender, the retiring Administrative Agent's resignation or removal shall nevertheless thereupon become effective and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After any retiring Administrative Agent's resignation or removal as Administrative Agent, the provisions of this Section 9 shall inure to its

benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement and the other Loan Documents.

9.10. Authorization to Release Guarantees and Liens. Notwithstanding anything to the contrary contained herein or in any other Loan Document, the Administrative Agent is hereby irrevocably authorized by each of the Lenders (without requirement of notice to or vote or consent of any Lender, except as expressly required by Section 10.1, or any affiliate of any Lender that is a party to any Specified Hedge Agreement) to take any action requested by the Borrower having the effect of releasing any Collateral or guarantee obligations to the extent necessary to permit consummation of any transaction not prohibited by any Loan Document or that has been consented to in accordance with Section 10.1 and the Administrative Agent shall do so if so requested.

9.11. Syndication Agents. The Syndication Agents shall not have any duties or responsibilities hereunder in their respective capacities as such.

SECTION 10. MISCELLANEOUS

10.1. Amendments and Waivers. Neither this Agreement, any other Loan Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 10.1. The Required Lenders and each Loan Party party to the relevant Loan Document may, or, with the written consent of the Required Lenders, the Administrative Agent and each Loan Party party to the relevant Loan Document may, from time to time, (a) enter into written amendments, supplements or modifications hereto and to the other Loan Documents for the purpose of adding any provisions to this Agreement or the other Loan Documents or changing in any manner the rights of the Lenders or of the Loan Parties hereunder or thereunder or (b) waive, on such terms and conditions as the Required Lenders or the Administrative Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall (i) forgive, reduce, extend or waive the principal amount or extend or waive the final scheduled date of maturity of any Loan or Reimbursement Obligation, extend or waive the scheduled date of any amortization payment in respect of any Term Loan, reduce the stated rate of any interest or fee payable hereunder or extend or waive the scheduled date of any payment thereof, increase the amount or extend the expiration date of any Lender's Commitment, in each case without the written consent of each Lender directly affected thereby; (ii) amend, modify or waive any provision of this Section 10.1 or reduce any percentage specified in the definition of Required Lenders, consent to the assignment or transfer by any Loan Party of any of its rights and obligations under this Agreement and the other Loan Documents, or release all or substantially all of the Collateral or all or substantially all of the Subsidiary Guarantors from their obligations under the Guarantee and Collateral Agreement, in each case without the written consent of all Lenders; (iii) reduce the percentage specified in the definition of Majority Facility Lenders with respect to any Facility without the written consent of all Lenders under such Facility; (iv) amend, modify or waive any provision of Section 9 without the written consent of the Administrative Agent; (v) amend, modify or waive any provision of Section 2.3 or 2.6 without the written consent of the Swingline Lender; (vi) amend, modify or waive any provision of Section 3 without the written consent of the Issuing Lender or (vii) amend, modify or waive any provision of Section 2.17 without the written consent of the Majority Facility Lenders in respect of each Facility adversely affected thereby. Any such waiver and any such amendment, supplement or modification shall apply equally to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Administrative Agent and all future holders of the Loans. In the case of any waiver, the Loan Parties, the Lenders and the Administrative Agent shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Default or Event of Default waived shall be deemed to be cured and not

continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon.

Notwithstanding the foregoing, this Agreement may be amended to the extent necessary to facilitate the making of Incremental Loans in an aggregate principal amount of up to \$250,000,000 pursuant to Sections 2.1(c) and 2.2(b) and matters related thereto upon (a) execution and delivery by the Borrower, the Administrative Agent and each Lender providing Incremental Loans of an Increased Term Facility Activation Notice or an Increased Revolving Facility Activation Notice, as the case may be, and (b) delivery of such other documents with respect thereto as the Administrative Agent may reasonably request.

In addition, notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and Revolving Extensions of Credit and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and Majority Facility Lenders.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, the Borrower and the Lenders providing the relevant Replacement Term Loans (as defined below) to permit the refinancing, replacement or modification of all (but not less than all) outstanding Term Loans ("Refinanced Term Loans") with a replacement term loan hereunder ("Replacement Term Loans"), provided that (a) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Refinanced Term Loans, (b) the Applicable Margin for such Replacement Term Loans shall not be higher than the Applicable Margin for such Refinanced Term Loans, (c) the weighted average life to maturity of such Replacement Term Loans shall not be shorter than the weighted average life to maturity of such Refinanced Term Loans at the time of such refinancing and (d) all other terms applicable to such Replacement Term Loans shall be substantially identical to, or less favorable to the Lenders providing such Replacement Term Loans than, those applicable to such Refinanced Term Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the latest final maturity of the relevant Term Loans in effect immediately prior to such refinancing. The election by any Lender to provide or participate in the Replacement Term Loans shall not obligate any other Lender to so provide or participate. The Borrower shall pay to any Lender who elects not to provide or participate in any Replacement Term Loans an amount equal to the relevant outstanding Term Loans (plus any accrued and unpaid interest or other amounts due in connection therewith) held by such Lender prior to or simultaneously with any refinancing, replacement or modification of relevant outstanding Term Loans hereunder.

provided that any notice, request or demand to or upon the Administrative Agent or the Lenders shall not be effective until received.

10.3. No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

10.4. Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans and other extensions of credit hereunder.

10.5. Payment of Expenses and Taxes. The Borrower agrees (a) to pay or reimburse the Administrative Agent and each Joint Lead Arranger for all its reasonable out-of-pocket costs and expenses incurred in connection with the syndication of the Facilities, the development, preparation and execution of, and any amendment, supplement or modification to, this Agreement and the other Loan Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby (including the reasonable fees, disbursements and other charges of one outside counsel for the Administrative Agent and, if reasonably necessary, of one local counsel and one applicable regulatory counsel in each relevant material jurisdiction to all such Persons) and filing and recording fees and expenses and the charges of IntraLinks, in each case from time to time on a quarterly basis or such other periodic basis as the Administrative Agent shall deem appropriate, (b) to pay or reimburse each Lender and the Administrative Agent (in the case of each Lender, after the occurrence and during the continuance of an Event of Default) for all its costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Loan Documents and any such other documents, including the fees and disbursements of counsel (including the fees, disbursements and other charges of one outside counsel for the Administrative Agent and one outside counsel for the Lenders and, solely in the case of a conflict of interest, one additional counsel for all affected Persons that are similarly situated (and, if reasonably necessary, of one local counsel and one applicable regulatory counsel in each relevant material jurisdiction for all such Persons)), (c) to pay, indemnify, and hold each Lender and each Agent harmless from, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, stamp, excise and other taxes, if any, that may be payable or determined to be payable in connection with the execution and delivery of, or consummation or administration of any of the transactions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, the other Loan Documents and any such other documents, and (d) to pay, indemnify, and hold each Lender, each Joint Lead Arranger and each Agent and their respective officers, directors, trustees, employees, affiliates, agents, controlling persons and investment advisors who manage a Lender (each, an "Indemnitee") harmless from and against any and all other liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the arrangement, execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents and any such other documents, including any of the foregoing relating to the use of proceeds of the Loans or the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of the Borrower or any of its Subsidiaries or any of the Properties or the use by unauthorized persons of information or other materials sent through electronic, telecommunications or other information transmission systems that are intercepted by such persons without the consent of the Indemnitee and the reasonable fees and expenses of legal counsel in connection with claims, actions or proceedings by any Indemnitee against any Loan Party under any Loan Document (all the foregoing in this clause (d), collectively, the "Indemnified Liabilities"), provided, that the Borrower shall have no obligation hereunder to any Indemnitee with respect to Indemnified Liabilities to the extent such Indemnified Liabilities arise from the gross negligence or willful misconduct of such Indemnitee or a material breach by such Indemnitee of its obligations under this Agreement. Without limiting the foregoing, and to the extent permitted by applicable law, the Borrower agrees not to assert and to cause its Subsidiaries not to assert, and hereby waives and agrees to cause its Subsidiaries to so waive, all rights for contribution or any other rights of recovery with respect to all claims, demands, penalties, fines, liabilities, settlements, damages, costs and expenses of whatever kind or nature, under or related to Environmental Laws, that any of them might have by statute or otherwise against any Indemnitee. All amounts due under this

Section 10.5 shall be payable not later than 10 Business Days after written demand therefor. Statements payable by the Borrower pursuant to this Section 10.5 shall be submitted to Robert D. Davis (Telephone No. 972-801-1204) (Telecopy No. 972-943-0113), at the address of the Borrower set forth in Section 10.2, or to such other Person or address as may be hereafter designated by the Borrower in a written notice to the Administrative Agent. The agreements in this Section 10.5 shall survive repayment of the Loans and all other amounts payable hereunder.

10.6. Successors and Assigns; Participations and Assignments. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Lender that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees (each, an "Assignee"), other than a natural person, all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent of:

(A) the Borrower (such consent not to be unreasonably withheld, delayed or conditioned), provided that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender, an Approved Fund (as defined below) or, if an Event of Default has occurred and is continuing, any other Person; and provided, further, that the Borrower shall be deemed to have consented to any such assignment unless the Borrower shall object thereto by written notice to the Administrative Agent within five Business Days after having received written notice thereof;

(B) the Administrative Agent (such consent not to be unreasonably withheld, delayed or conditioned), provided that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund; and

(C) in the case of assignments of Revolving Commitments, the Issuing Lender.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans under any Facility, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$10,000,000, in each case unless each of the Borrower and the Administrative Agent otherwise consent, provided that (1) no such consent of the Borrower shall be required if an Event of Default has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and

recordation fee of \$3,500 (with only one such fee payable in connection with multiple, simultaneous assignments); and

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire.

For the purposes of this Section 10.6, “Approved Fund” means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (a) a Lender, (b) an Affiliate of a Lender or (c) an entity or an Affiliate of an entity that administers or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) below, from and after the effective date specified in each Assignment and Assumption the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.18, 2.19, 2.20 and 10.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount (and stated interest) of the Loans and LC Obligations owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). Absent manifest error, the entries in the Register shall be conclusive, and the Borrower, the Administrative Agent, the Issuing Lender and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an Assignee, the Assignee’s completed administrative questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and promptly record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, the Issuing Lender and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells

such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that both (1) requires the consent of each Lender directly affected thereby pursuant to clause (i) of the proviso to the second sentence of Section 10.1 and (2) directly affects such Participant. Subject to paragraph (c)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.18, 2.19 and 2.20 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.7(b) as though it were a Lender, provided such Participant shall be subject to Section 10.7(a) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(ii) Notwithstanding anything to the contrary, a Participant shall not be entitled to receive any greater payment under Section 2.18 or 2.19 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. Without limiting the foregoing, no Participant shall be entitled to the benefits of Section 2.19 unless such Participant agrees to comply and complies with Section 2.19 as if it were a Lender.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and including, further, in the case of any Lender that is a Fund, any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender including to any trustee for, or any representative of, such holders, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(e) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in paragraph (d) above.

10.7. Adjustments; Setoff. (a) Except to the extent that this Agreement expressly provides for payments to be allocated to a particular Lender or to the Lenders under a particular Facility, if any Lender (a "Benefitted Lender") shall at any time receive any payment of all or part of the Obligations owing to it, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by setoff, pursuant to events or proceedings of the nature referred to in Section 8(f), or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of the Obligations owing to such other Lender, such Benefitted Lender shall purchase for cash from the other Lenders a participating interest in such portion of the Obligations owing to each such other Lender, or shall provide such other Lenders with the benefits of any such collateral, as shall be necessary to cause such Benefitted Lender to share the excess payment or benefits of such collateral ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefitted Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender and its Affiliates shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by applicable law, upon any amount becoming due and payable by the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise), to set off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender, such Affiliate or any branch or agency of any thereof to or for the credit or the account of the Borrower. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such setoff and application made by such Lender or any of its Affiliates, provided that the failure to give such notice shall not affect the validity of such setoff and application.

10.8. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile transmission, by electronic mail in “portable document format” (“.pdf”) form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, or by a combination of such means, shall be effective as delivery of a manually executed counterpart hereof. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

10.9. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10.10. Integration. This Agreement and the other Loan Documents represent the agreement of the Borrower, the Administrative Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Borrower, the Administrative Agent or any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

10.11. **GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.**

10.12. Submission To Jurisdiction; Waivers. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to it at its address set forth in Section 10.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

10.13. **Acknowledgements.** The Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) neither the Administrative Agent nor any Lender has any fiduciary relationship with or duty to the Borrower arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Administrative Agent and Lenders, on one hand, and the Borrower, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Borrower and the Lenders.

10.14. **Confidentiality.** Each of the Administrative Agent and each Lender agrees to keep confidential all non-public information provided to it by or on behalf of the Borrower or any of its Subsidiaries pursuant to this Agreement that is designated by such Person as confidential; provided that nothing herein shall prevent the Administrative Agent or any Lender from disclosing any such information (a) to the Administrative Agent, any other Lender or any Affiliate or Approved Fund of any Lender, (b) to any participant or assignee or prospective participant or assignee that agrees in writing to comply with the provisions of this Section, (c) to its employees, directors, trustees, agents, attorneys, accountants, investment advisors and other professional advisors or those of any of its affiliates, (d) upon the request or demand of any Governmental Authority, (e) in response to any order of any court or other Governmental Authority or as may otherwise be required pursuant to any Requirement of Law, (f) if requested or required to do so in connection with any litigation or similar proceeding, provided that in the case of any such request or requirement, the Administrative Agent or Lender (as applicable) so requested or required to make such disclosure shall as soon as practicable notify the Borrower thereof, (g) that has been publicly disclosed, (h) to the National Association of Insurance Commissioners or any similar organization or any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to such Lender, (i) in connection with the exercise of any remedy hereunder or under any other Loan Document or (j) to any pledgee referred to in Section 10.6(d) or any direct or indirect contractual counterparty in swap agreements with the Borrower or such contractual counterparty's professional advisor (so long as such pledgee or contractual counterparty or professional advisor to such contractual counterparty agrees to be bound by the provisions of this Section 10.14).

**RENT-A-CENTER, INC. ANNOUNCES
COMPLETION OF SENIOR CREDIT
FACILITY REFINANCING**

Plano, Texas, July [14], 2011 — Rent-A-Center, Inc. (the “Company”) (NASDAQ/NGS:RCII), the nation’s largest rent-to-own operator, today announced the completion of the previously announced refinancing of its senior credit facility. The new \$750 million senior credit facility consists of \$250 million in term loans and a \$500 million revolving credit facility. The Company drew down the \$250 million in term loans and \$100 million of the revolving facility today and utilized the proceeds to repay its existing senior term debt.

“We believe the extended maturities and moderation of mandatory principal payments over the next five years will further enhance our financial flexibility as we continue to execute on our growth initiatives,” commented Robert D. Davis, the Company’s Executive Vice President and Chief Financial Officer. “Based on our present leverage ratio, we expect an approximate 100 basis point improvement in interest rates on the new credit facility as compared to the prior facility,” Mr. Davis concluded.

Rent-A-Center, Inc., headquartered in Plano, Texas, currently operates approximately 3,020 company-owned stores nationwide and in Canada, Mexico and Puerto Rico. The stores generally offer high-quality, durable goods such as major consumer electronics, appliances, computers and furniture and accessories under flexible rental purchase agreements that generally allow the customer to obtain ownership of the merchandise at the conclusion of an agreed upon rental period. ColorTyme, Inc., a wholly owned subsidiary of the Company, is a national franchiser of approximately 210 rent-to-own stores operating under the trade name of “ColorTyme.”
