At the 2018 annual meeting, we submitted a proposal to our stockholders to declassify the Board of Directors. Stockholders owning approximately 75% of our outstanding shares of common stock voted in favor of the declassification proposal, which was less than the 80% affirmative vote required to amend our Certificate of Incorporation to declassify the Board. We intend to resubmit the declassification proposal at a future annual meeting of stockholders.

Board Nominees (page 5)

The Board has identified two new independent director nominees to be elected as Class I directors, Carol A. McFate and Harold Lewis. The following table provides summary information about each director nominee who is nominated for election at the 2019 Annual Meeting. Each director nominee will serve a three-year term expiring at the 2022 annual meeting of stockholders and until their successors are elected and qualified. Information regarding our directors whose terms continue past this year's stockholder meeting begins on page 6.

Executive Compensation

Principles (page 19)

We generally target total direct compensation (base salary, annual incentive and long-term incentive compensation) at the 50th-75th percentile of that paid at similarly-situated public companies in the retail and consumer finance sector, with cash compensation (base salary and annual incentives) targeted at the 50th percentile, and

long-term incentive compensation targeted at the 75th percentile. The objectives of our executive compensation program are to:

- attract, retain and motivate senior executives with competitive compensation opportunities;

- balance short-term and long-term strategic goals;
- align our executive compensation program with the core values identified in our mission statement, which focuses on improving the quality of life for our co-workers and our customers; and
- reward achievement of our financial and non-financial goals.

The following forms of compensation are currently utilized by the Compensation Committee in compensating our named executive officers:

- base salary, which is paid in cash;
- annual incentive compensation, which is paid in cash and is focused on three metrics – profitability, cash flow and revenue;
- long-term incentive compensation, which consists of stock options which generally vest ratably over four years beginning on the first anniversary of the date of grant, restricted stock units which cliff vest after three years, and performance stock units which vest based solely on a relative total shareholder return metric over a three-year measurement period;
- double trigger severance arrangements; and
- fringe benefits, including perquisites, with no tax gross-ups.

Relative Total Shareholder Return (page 23)

Our Compensation Committee has adopted a relative total shareholder return metric over a three-year measurement period as the vesting condition for grants of performance stock units pursuant to our long-term incentive compensation program.

Stock Ownership Guidelines (pages 12 and 25)

We believe that our Board and our management should have a significant financial stake in the Company to ensure that their interests are aligned with those of our stockholders. To that end, our directors, as well as our Chief Executive Officer, are subject to equity interest guidelines as described on pages 12 and 25,

respectively. In addition, our insider trading policy prohibits our directors and executive officers from engaging in hedging or other derivative transactions involving our common stock. We also do not allow shares of our common stock owned by any of our directors or named executive officers to be pledged.

Clawback Policy (page 25)

Our Board has adopted a clawback policy applicable to our executive officers as described on page 25.

Pay for Performance (page 19)

Our executive compensation program directly links a substantial portion of executive compensation to our financial performance through annual and long-term incentives. For the 2018 annual cash incentive program, (i) the EBITDA goal was achieved at 141.9% of target (resulting in a 200% payout of the 40% of the target bonus amounts attributable to the EBITDA target), (ii) the cash flow target was achieved at 157.2% of target (resulting in a 200% payout of the 40% of the target bonus amounts attributable to the cash flow target, and (iii) the revenue goal was achieved at 102.8% of target (resulting in a 129% payout of the 20% of the target bonus amounts attributable to the revenue target). As a result, each participant in the 2018 annual cash incentive program received an amount equal to 186% of such person's target bonus amount.

In 2016, our Compensation Committee granted to our named executive officers performance-based restricted stock units based on our relative Total Shareholder Return ("TSR") as compared to the S&P 1500 Specialty Retail Index over a three-year measurement period. Our relative TSR performance as compared to the S&P 1500 Specialty Retail Index for the three-year period ending December 31, 2018, ranked us 32 out of 56 companies in the S&P 1500 Specialty Retail Index, or the 44th percentile, which resulted in the vesting of 75% of the performance-based restricted stock units that were granted.

QUESTIONS AND ANSWERS ABOUT THE 2019 ANNUAL MEETING AND VOTING PROCEDURES

Who may vote?

Stockholders of record as of the close of business on April 9, 2019, the record date for the 2019 Annual Meeting, may vote at the meeting. Each share of common stock entitles the holder to one vote per share. As of April 9, 2019, there were 54,049,974 shares of our common stock outstanding.

What constitutes a quorum?

The holders of at least a majority of our outstanding shares of common stock entitled to vote at the 2019 Annual Meeting must be represented at the 2019 Annual Meeting in person or by proxy to have a quorum. Any stockholder present at the 2019 Annual Meeting, either in person or by proxy, but who abstains from voting, will be counted for purposes of determining whether a quorum exists.

How do I vote?

You cannot vote your shares of common stock unless you are present at the meeting or you have previously given your proxy. You can vote by proxy in one of the following three convenient ways:

- by mail – if you received your proxy materials by mail, you can vote by mail by completing, signing, dating and returning the proxy card in the enclosed envelope;
- on the Internet, by visiting the website shown on the Notice or the proxy card and following the instructions; or
- by telephone, by calling the toll-free telephone number shown on the Notice or the proxy card and following the instructions.

How will the proxies be voted?

All properly executed proxies, unless revoked as described below, will be voted at the meeting in accordance with your directions on the proxy. If a properly executed proxy does not provide instructions, the shares of common stock represented by your proxy will be voted:

- “FOR” each of the Board’s nominees for Class I director;
- “FOR” the ratification of the Audit & Risk Committee’s current selection of KPMG LLP as our independent registered public accounting firm for 2019; and
- “FOR” the resolution approving the compensation of the named executive officers for the year ended December 31, 2018, as set forth in the proxy statement.

The proxy holders will use their discretion on any other matters that properly come before the meeting. Unless otherwise stated, all shares represented by your completed, returned, and signed proxy will be voted as described above. If you are voting on the Internet or by telephone, the proxies will be voted in accordance with your voting instructions. If you are voting on the Internet or by telephone, your voting instructions must be received by 11:59

p.m., Eastern time on June 3, 2019, unless you are a participant in our 401(k) plan, in which case your voting instructions must be received by 6:00 a.m., Central time, on June 3, 2019.

You may revoke your proxy at any time before or at the 2019 Annual Meeting (in each case, before the vote at the 2019 Annual Meeting) by:

- Delivering a signed, written revocation letter, dated later than the proxy, to Dawn M. Wolverton, Vice President – Assistant General Counsel and Secretary, at 5501 Headquarters Drive, Plano, TX 75024;
- Delivering a signed proxy, dated later than the first one, to Saratoga Proxy Consulting, LLC, 528 8th Avenue, 14th Floor, New York, NY 10018;
- Voting at a later time on the Internet or by telephone, if you previously voted on the Internet or by telephone; or
- Attending the meeting and voting in person or by proxy. Attending the meeting alone will not revoke your proxy.

QUESTIONS AND ANSWERS ABOUT THE 2019 ANNUAL MEETING AND VOTING PROCEDURES

How many votes must each proposal receive to be adopted?

Proposal 1: Election of Directors. Under our Bylaws, directors are elected by a majority of the votes cast in uncontested elections. Accordingly, the numbers of votes cast “for” a director nominee must exceed the number of votes cast “against” that nominee. In contested elections, the vote standard would be a plurality of votes cast. Each share may be voted for each of the nominees, but no share may be voted more than once for any particular nominee. Broker non-votes and abstentions will not affect the outcome of the vote.

Proposal 2: Ratification of the Audit & Risk Committee’s current selection of KPMG LLP as our independent registered public accounting firm for 2019. A majority of the votes cast is required

to ratify KPMG as our independent registered public accounting firm. Broker non-votes and abstentions will not affect the outcome of the vote to ratify KPMG.

Proposal 3: Advisory vote on executive compensation. The affirmative vote of a majority of the shares of common stock present in person or represented by proxy and entitled to vote at the meeting is required to approve the advisory resolution on executive compensation. Broker non-votes will not affect the outcome of the vote. Because abstentions are counted as shares present and entitled to vote on the proposal, each abstention will have the same effect as a vote “against” the advisory resolution on executive compensation.

What are broker non-votes?

Broker non-votes occur when nominees, such as banks and brokers, holding shares on behalf of beneficial owners, or customers, do not receive voting instructions from the customers. Brokers holding shares of record for customers generally are not entitled to vote on certain matters unless they receive voting instructions from their customers. In the event that a broker does not receive voting instructions for these matters, a broker may notify us that it lacks voting authority to vote those shares. These broker non-votes refer to votes that could have been cast on the matter in question by brokers with respect to uninstructed shares if the brokers had received their customers’ instructions. These

broker non-votes will be included in determining whether a quorum exists.

Your bank or broker is not permitted to vote your uninstructed shares in the election of directors on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote, no votes will be cast on your behalf for Proposal 1 (in the election of directors), Proposal 2 (ratification of auditors) and Proposal 3 (advisory vote on executive compensation). To be sure your shares are voted in the manner you desire, you should instruct your broker how to vote your shares.

Who is soliciting this proxy?

The Board is soliciting this proxy. In addition to the solicitation of proxies by mail, proxies may also be solicited by telephone, electronic mail or personal interview. We will reimburse banks, brokers, custodians, nominees and fiduciaries for reasonable expenses they incur in sending these proxy materials to you if you

are a beneficial holder of our shares. We have engaged Saratoga Proxy Consulting LLC, a proxy solicitation firm, to assist in the solicitation of proxies for which we will pay a fee in the amount of \$10,000.

PROPOSAL ONE: ELECTION OF DIRECTORS

What is the organizational structure of the Board?

Our Board is divided into three classes with directors in each class generally serving for a term of three years. J.V. Lentell, currently serving as a Class III director, will retire from the Board following the 2019 Annual Meeting. Assuming the board nominees

described below are elected at the 2019 Annual Meeting, the Board will consist of six members.

How many directors are to be elected?

Two Class I directors are to be elected by our stockholders. There are no incumbent directors serving in Class I due to term expiration and prior resignations from the Board. Accordingly, our

Board has nominated two new independent director candidates to serve as Class I directors.

Who are the board nominees?

Our Board, upon recommendation of the Nominating and Corporate Governance Committee, has nominated each of Carol A. McFate and Harold Lewis to be elected as Class I directors by our stockholders.

The qualifications necessary for a board nominee and the Nominating and Corporate Governance Committee's process for evaluating prospective board members is discussed below under "Director Nominations – Qualifications" on page 15. Specific experience and relevant considerations with respect to each nominee are set forth in each candidate's respective biography below.

Each of Ms. McFate and Mr. Lewis has agreed to stand for election. However, should either of them become unable or unwilling to accept nomination or election, the shares of common stock voted for that nominee by proxy will be voted for the election of a substitute nominee whom the proxy holders believe will carry out our present policies. Our Board has no reason to believe that either of Ms. McFate or Mr. Lewis will be unable or unwilling to serve if elected, and, to the knowledge of the Board, each intends to serve the entire term for which election is sought.

PROPOSAL ONE: ELECTION OF DIRECTORS

Our Board recommends that you vote "FOR" each of Ms. McFate and Mr. Lewis.

Carol A. McFate
Independent Director Nominee
Age: 66

Ms. McFate served from 2006 until October 2017 as the Chief Investment Officer of Xerox Corporation, a multinational document provider of multifunction document management systems and services, managing retirement assets for North American and UK plans. Ms. McFate is a Chartered Financial Analyst.

Ms. McFate brings over 40 years of global corporate finance experience and a varied viewpoint to the Board which we believe will support our strategic initiatives and enhance long-term vision, sustainable growth and shareholder value.

Harold Lewis
Independent Director Nominee
Age: 58

Mr. Lewis brings over 30 years of experience in financial services and mortgage lending. Since August 2018, he has served as the CEO of Renovate America, Inc., a national home improvement fintech company focused on energy efficient home improvement lending. From 2016 to 2018, Mr. Lewis was a senior advisor for McKinsey & Company, a worldwide management consulting firm. From 2012 to 2015 he served as President and COO of Nationstar Mortgage, one of the largest mortgage servicers in the country. In that position, he grew Nationstar's servicing platform from \$30 billion to \$400 billion and mortgage origination portfolio from \$1.8 billion to \$25 billion while also building and managing Nationstar's relationship with the newly created industry regulator, the Consumer Financial Protection Bureau. Prior to Nationstar Mortgage, he held C-Suite and senior executive positions at Citi Mortgage, Fannie Mae, Resource Bancshares Mortgage Group and Nations Credit, among others.

We believe that Mr. Lewis' significant financial technology knowledge and broad experience with a similar customer demographic provides our Board with an important resource with respect to our e-commerce and Acceptance Now businesses.

Who are the continuing members of the Board?

The terms of the following four members of our Board will continue past the 2019 Annual Meeting.

Term to Expire at the 2020 Annual Meeting:

Independent Directors

As part of the Company's corporate governance practices, and in accordance with Nasdaq rules, the Board has established a policy requiring a majority of the members of the Board to be independent. In January 2019, each of our non-employee directors completed a questionnaire which inquired as to their (and those of their immediate family members) relationship with us and other potential conflicts of interest. Our legal department reviewed the responses of our directors to such questionnaires, as well as material provided by management related to transactions, relationships and arrangements between us and our directors or

parties related to our directors. In March 2019, our Board met to discuss the independence of our directors who are not employed by us. Following such discussions, our Board determined that the following continuing directors are "independent" as defined under Nasdaq rules: Jeffrey J. Brown, Michael J. Gade, and Christopher B. Hetrick. The table below includes a description of categories or types of transactions, relationships or arrangements considered by our Board in reaching its determination that the directors are independent.

Name	Independent	Transactions/Relationships/Arrangements
Jeffrey J. Brown	Yes	None
Michael J. Gade	Yes	None
Christopher B. Hetrick	Yes	Employee of Engaged Capital, a 9.9% stockholder in the Company

In April 2019, each of Ms. McFate and Mr. Lewis completed a questionnaire which inquired as to their (and those of their immediate family members) relationship with us and other potential conflicts of interest in connection with the nomination

process. Following a review of such questionnaires, our Board determined that each of Ms. McFate and Mr. Lewis will be "independent" as defined under Nasdaq rules.

Board Leadership Structure

Our Board separates the roles of Chairman and Chief Executive Officer. Mr. Lentell served as Chairman from December 2017 to April 24, 2019. Mr. Brown was appointed as Chairman effective as of April 24, 2019. Mr. Fadel serves as our Chief Executive Officer. The Board believes that the separation of the roles of Chairman and Chief Executive Officer at this time is appropriate in light of Mr. Fadel's tenure as Chief Executive Officer and is in the best interests of the Company's stockholders. Separating these positions aligns the Chairman role with our independent directors, enhances the independence of our Board from management and allows our Chief Executive Officer to focus

on developing and implementing our strategic initiatives and supervising our day-to-day business operations. Our Board believes that Mr. Brown is well situated to serve as Chairman because of his experience serving on the boards of other public companies, including as a lead director. Mr. Brown will work closely with Mr. Fadel to set the agenda for Board meetings and to coordinate information flow between the Board and management.

Our Board will review its determination to separate the roles of Chairman and Chief Executive Officer periodically or as circumstances and events may require.

Board Meetings; Executive Session

During 2018, our Board met 31 times, including regularly scheduled and special meetings. All of our directors attended more than 75% of the aggregate of the total number of meetings of the Board and the total number of meetings of the Board committees on which they serve.

Our independent directors meet in executive session at each in-person meeting of the Board. Executive sessions are generally chaired by our Chairman of the Board.

Role of the Board in Risk Oversight

Our Board takes an active role, as a whole and also at the committee level, in overseeing management of the Company's risks. The Board and the relevant committees receive regular reports from members of senior management on areas of material risk to the Company, including operational, financial, strategic, competitive, reputational, legal and regulatory risks. The Board also meets with senior management annually for a strategic planning session and discussion of the key risks inherent in our

short- and long-term strategies at the development stage, and also receives periodic updates on our strategic initiatives throughout the year. In addition, our Board has delegated the responsibility for oversight of certain risks to its standing committees, as discussed below. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, our entire Board is regularly informed through committee reports concerning such risks.

Board Committees

The standing committees of the Board during 2018 included the Audit & Risk Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee. Each of the standing committees has the authority to retain independent advisors and consultants, with all fees and expenses to be paid by the Company.

The *Audit & Risk Committee* assists the Board in fulfilling its oversight responsibilities by reviewing risks relating to accounting matters, financial reporting, legal and regulatory compliance, and other enterprise-wide risks. To satisfy these oversight responsibilities, our Audit & Risk Committee reviews, among other things, (1) the financial reports and other financial information provided by us to the Securities and Exchange Commission ("SEC") or the public, (2) our systems of controls regarding finance, accounting, legal compliance and ethics that management and the Board have established, (3) our independent

auditor's qualifications and independence, (4) the performance of our internal audit function and our independent auditors, (5) the efficacy and efficiency of our auditing, accounting and financial reporting processes generally, and (6) our risk management practices. The Audit & Risk Committee has the direct responsibility for the appointment, compensation, retention and oversight of our independent auditors, and reviews our internal audit department's reports, responsibilities, budget and staffing. The Audit & Risk Committee also pre-approves all audit and non-audit services provided by our independent auditors and oversees compliance with our code of ethics. In addition, the Audit & Risk Committee meets regularly with our Chief Financial Officer, the head of our internal audit department, our independent auditors, and management (including regularly scheduled executive sessions with the vice president of internal audit and our independent auditors).

DIRECTOR COMPENSATION

Cash Compensation

During 2018, each non-employee director received an annual retainer of \$50,000. Additionally, each non-employee director receives \$2,500 for each Board meeting attended in person and is reimbursed for his or her expenses in attending such meetings. In addition to such compensation, additional annual retainers are paid as follows:

Position	Annual Retainer
Chairman of the Board	\$ 80,000
Chair of the Audit & Risk Committee	\$ 16,000
Other members of the Audit & Risk Committee	\$ 9,000
Chair of the Compensation Committee	\$ 12,000
Other members of the Compensation Committee	\$ 6,000
Chair of the Nominating and Corporate Governance Committee	\$ 8,000
Other members of the Nominating and Corporate Governance Committee	\$ 6,000

All retainers were paid in cash, in four equal installments on the first day of each quarter. Mr. Fadel did not receive any cash compensation for his service as a director during 2018.

The Compensation Committee engaged Korn Ferry Hay Group, Inc. ("Hay Group") to advise it with respect to the compensation paid to our non-employee directors as compared to similarly situated public companies. Based on such input from Hay Group, in March 2019, the Compensation Committee recommended, and the Board adopted, that the annual retainer paid to non-employee directors be increased from \$50,000 to \$77,500, beginning with the quarterly installment due on July 1, 2019. In addition, the Compensation Committee recommended, and the Board adopted, the following revised additional annual retainers, beginning with the quarterly installment due on July 1, 2019:

Position	Annual Retainer
Chairman of the Board	\$ 150,000
Chair of the Audit & Risk Committee	\$ 27,500
Other members of the Audit & Risk Committee	\$ 15,000
Chair of the Compensation Committee	\$ 25,000
Other members of the Compensation Committee	\$ 10,500
Chair of the Nominating and Corporate Governance Committee	\$ 20,000
Other members of the Nominating and Corporate Governance Committee	\$ 10,000

Beginning July 1, 2019, retainers may be paid in a combination of cash or deferred stock units ("DSUs") at each non-employee director's election. To encourage our directors to take a greater portion of their cash compensation in the form of Company stock to further enhance their alignment with the interests of our stockholders, deferred fees will be matched 25% by the Company and the total deferred fees and matching contributions will be converted into an equivalent value of DSUs. Deferred fees plus matching contributions are converted to DSUs based on the closing price of Rent-A-Center common stock on the trading day immediately preceding the date on which the fees are payable. Each DSU represents the right to receive one share of common stock of the Company. The DSUs are fully vested and non-forfeitable. The common stock will be issued on the date the person ceases to be a member of the Board. The DSUs do not have voting rights.

Equity Compensation

Our non-employee directors receive a deferred stock award pursuant to the Rent-A-Center, Inc. 2016 Long-Term Incentive Plan (the "2016 Plan") on the first business day of each year. Each deferred stock award consists of the right to receive shares of our common stock and is fully vested upon issuance. The shares covered by the award will be issued upon the termination of the director's service as a member of the Board. All of our non-employee directors serving on January 2, 2018, the first business day of 2018, were granted deferred stock units valued at \$100,000 on that date.

The annual deferred stock award to our non-employee directors for 2019 was valued at \$120,000. The Board adopted this change to the value of the equity compensation paid to our non-employee directors based on input from Hay Group in March 2019. In addition, the deferred stock award for 2019 was granted on April 1, 2019, following the ruling by the Court of Chancery of the State of Delaware that we validly terminated the Agreement and Plan of Merger entered into on June 17, 2018 with certain affiliates of Vintage Capital Management, LLC.

DIRECTOR COMPENSATION

Director Equity Interest Guideline

Our Board has adopted a guideline encouraging each non-employee member of the Board to hold at least \$200,000 in our common stock and/or the deferred stock units issued as compensation for Board service (based on the price per share on the date or dates of such acquisition) within 5 years of the later of (i) December 23, 2008, or (ii) the date of their original election or appointment to the Board, and to hold such equity interest for so long as such member continues as a director. Mr. Gade has met the foregoing guideline. Messrs Brown, Fadel and Hetrick were elected to the Board in June 2017.

The following table sets forth certain information regarding the compensation of our non-employee directors during 2018:

Brown and Hetrick were granted an additional 5,255 deferred stock units valued at \$58,333, representing the pro-rata portion of the 2017 award value (Messrs. Brown and Hetrick were elected to the Board at the Company's 2017 annual meeting of stockholders). Each deferred stock unit represents the right to receive one share of our common stock. The deferred stock units are fully vested and non-forfeitable. The common stock will be issued to the director upon the termination of his service as a member of our Board.

CORPORATE GOVERNANCE

Director Nominations

Director Nominees

Under our Bylaws, only persons who are nominated in accordance with the procedures set forth in our Bylaws are eligible for election as, and to serve as, members of our Board. Under our Bylaws, nominations of persons for election to our Board may be made at a meeting of our stockholders (1) by or at the direction of our Board or (2) by any stockholder, provided they comply with the provisions of Article I, Sections 3 and 4 of our Bylaws. The Board has delegated the screening and recruitment process for Board members to the Nominating and Corporate Governance

Committee. The Nominating and Corporate Governance Committee selects individuals it believes are qualified to be members of the Board, and recommends those individuals to the Board for nomination for election or re-election as directors. From time to time, the Nominating and Corporate Governance Committee may engage a consultant to conduct a search to identify qualified candidates. The Nominating and Corporate Governance Committee then undertakes the evaluation process described below for any candidates so identified.

Qualifications

The Nominating and Corporate Governance Committee believes that the minimum requirements for a person to be qualified to be a member of the Board are that a person must be committed to equal opportunity employment, and must not be a director, consultant, or employee of or to any competitor of ours (i.e., a company in the rent-to-own business). The Nominating and Corporate Governance Committee also believes that members of the Board should possess character, judgment, skills (such as an understanding of the retail and rent-to-own industries, business management, finance, accounting, marketing, operations and strategic planning), diversity, and experience with businesses and other organizations of a comparable size and industry. In addition, the Nominating and Corporate Governance Committee considers the composition of the current Board and the Board's needs when evaluating the experience and qualification of director candidates. The Nominating and Corporate Governance Committee evaluates whether certain individuals possess the foregoing qualities and

recommends to the Board candidates for nomination to serve as our directors. This process is the same regardless of whether the nominee is recommended by one of our stockholders.

As noted above, our Nominating and Corporate Governance Committee believes that diversity is one of many attributes to be considered when selecting candidates for nomination to serve as one of our directors. In general, our Nominating and Corporate Governance Committee's goal in selecting directors for nomination to our Board is to create a well-balanced team that (1) combines diverse business and industry experience, skill sets and other leadership qualities, (2) represents diverse viewpoints and (3) enables us to pursue our strategic objectives. While the Nominating and Corporate Governance Committee carefully considers diversity when evaluating nominees for director, the Nominating and Corporate Governance Committee has not established a formal policy regarding diversity in identifying director nominees.

Advance Resignation Policy

As a condition to nomination by the Nominating and Corporate Governance Committee of an incumbent director, a nominee shall submit an irrevocable offer of resignation to the Board, which resignation shall become effective in the event that (a) such nominee is proposed for reelection and is not reelected at a

meeting of the stockholders in which majority voting applies and (b) the resignation is accepted by the Board by the vote of a majority of the directors, not including any director who has not been reelected.

Stockholder Nominations

In addition to nominees by or at the direction of our Board, the Nominating and Corporate Governance Committee will consider candidates for nomination proposed by a stockholder, so long as the stockholder provides notice and information on the proposed nominee to the Nominating and Corporate Governance Committee through the Secretary in accordance with the provisions of Article I, Sections 3 and 4 of our Bylaws relating to direct stockholder nominations.

For the Nominating and Corporate Governance Committee to consider candidates recommended by a stockholder, Article I, Section 3 of our Bylaws requires that the stockholder provide notice to our Secretary (1) not less than 90 nor more than 120 days prior to the anniversary date of the immediately preceding annual meeting of stockholders, or (2) with respect to an election to be held at a special meeting of stockholders for the election of directors, no earlier than 120 days prior to the date of such special meeting, nor later than the close of business on the later to occur of the 90th day prior to the date of such special meeting or the

10th day following the day on which public disclosure of the date of the special meeting was made (if the first public announcement of the date of the special meeting is less than 100 days prior to the date of the special meeting). The notice to our Secretary must set forth, among other things:

- the name & address of the stockholder and/or beneficial owner making such nomination;
- class & number of shares of capital stock owned, directly or indirectly, beneficially or of record by such stockholder and/or beneficial owner;
- any derivative interests held by such stockholder and/or beneficial owner;
- proxy or voting agreements to which such stockholder and/or beneficial owner may vote any shares of any of our securities;
- short interest position of such stockholder and/or beneficial owner, if any;
- dividend rights to which such stockholder and/or beneficial owner are entitled, if separable;
- proportionate interests of such stockholder and/or beneficial owner arising out of partnership arrangements;
- performance related fees to which such stockholder and/or beneficial owner is entitled based on the increase or decrease in the value of such shares or derivative instrument;
- with respect to each proposed stockholder nominee, information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, as amended (the "Exchange Act") (including such person's written consent to being named in the proxy statement as a nominee and to serve as a director if elected); and

- with respect to each proposed stockholder nominee, a description of any compensatory and other material agreements among the nominating stockholder/beneficial owner, its affiliates and associates, and the proposed nominee.

In addition, to be timely, a stockholder's notice shall further be updated and supplemented, if necessary, so that the information provided or required to be provided in such notice shall be correct as of the record date for the meeting and as of the date that is 10 business days prior to the meeting, and such update and supplement must be delivered to our Secretary not later than 5 business days after the record date for the meeting in the case of the update and supplement required to be made as of the record date, and not later than 8 business days prior to the date for the meeting in the case of the update and supplement required to be made as of 10 business days prior to the meeting. In addition, as to each person whom the stockholder proposes to nominate for election or re-election as a director, the following information must be provided to our Secretary in accordance with the time period prescribed for the notice to our Secretary described above:

- a questionnaire furnished by our Secretary and completed by the proposed nominee; and
- the representation and agreement of the proposed nominee regarding no voting agreements, non-disclosed compensation arrangements, and compliance upon election with our governance policies and guidelines.

The above description of the requirements that stockholders must comply with when recommending candidates for our Board is a summary only, and stockholders interested in nominating candidates to our Board are encouraged to closely review our Bylaws.

Director Attendance at Annual Meeting of Stockholders

Our Board has adopted a policy stating that each member of the Board should attend our annual meeting of stockholders. All of our directors then serving as directors attended the Company's 2018 annual meeting of stockholders.

PROPOSAL TWO: RATIFICATION OF THE SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit & Risk Committee has currently selected KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2019. Our Board has further directed that we submit the selection of our independent registered public accounting firm for ratification by our stockholders at the 2019 Annual Meeting.

The Audit & Risk Committee reviews and pre-approves both audit and all permissible non-audit services provided by our independent registered public accounting firm, and accordingly, all services and fees in 2018 and 2017 provided by KPMG were pre-approved by the Audit & Risk Committee. The Audit & Risk Committee has considered whether the provision of services, other than services rendered in connection with the audit of our annual financial statements, is compatible with maintaining KPMG's independence. The Audit & Risk Committee has determined that the rendering of non-audit services by KPMG during the years ended December 31, 2018 and 2017, was compatible with maintaining such firm's independence.

Stockholder ratification of the selection of KPMG as our current independent registered public accounting firm is not required by our Bylaws or otherwise. However, the Board is submitting the selection of KPMG to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit & Risk Committee will reconsider whether or

not to continue the retention of KPMG. Even if the selection is ratified, the Audit & Risk Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in our best interests and those of our stockholders.

The Audit & Risk Committee annually reviews the performance of our independent registered public accounting firm and the fees charged for their services. In addition, earlier this year, the Company initiated a request for proposal process to evaluate independent registered public accounting firms that may be able to serve as the Company's audit firm in the future. Based upon the Audit & Risk Committee's analysis of this information, the Audit & Risk Committee will determine which registered independent public accounting firm to engage to perform our annual audit for the fiscal year ended December 31, 2019.

Representatives of KPMG will attend the 2019 Annual Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions from stockholders.

Our Board recommends that you vote "FOR" the proposal to ratify the current selection of KPMG LLP as our independent registered public accounting firm.

AUDIT COMMITTEE REPORT

In accordance with its written charter adopted by the Board, the Audit & Risk Committee assists the Board in fulfilling its oversight responsibilities by, among other things, reviewing the financial reports and other financial information provided by the Company to any governmental body or the public.

In discharging its oversight responsibilities, the Audit & Risk Committee obtained from the independent registered public accounting firm a formal written statement describing all relationships between the firm and the Company that might bear on the auditors' independence consistent with the applicable requirements of the Public Company Accounting Standards Board, discussed with the independent auditors any relationships that may impact their objectivity and independence, and satisfied itself as to the auditors' independence. The Audit & Risk Committee also discussed with management, the internal auditors and the independent auditors the integrity of the Company's financial reporting processes, including the Company's internal accounting systems and controls, and reviewed with management and the independent auditors the Company's significant accounting principles and financial reporting issues, including judgments made in connection with the preparation of the Company's financial statements. The Audit & Risk Committee also reviewed with the independent auditors their audit plans, audit scope and identification of audit risks.

The Audit & Risk Committee discussed with the independent auditors the matters required to be discussed by Auditing Standard No. 1301, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board, and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the consolidated financial statements of the Company.

The Audit & Risk Committee reviewed and discussed the audited consolidated financial statements of the Company as of and for the year ended December 31, 2018 with management and the independent auditors. Management is responsible for the

Company's financial reporting process, including its system of internal control over financial reporting (as defined in Rule 13a-15(f) promulgated under the Exchange Act), and for the preparation of the Company's consolidated financial statements in accordance with generally accepted accounting principles. The independent auditor is responsible for auditing those financial statements, and expressing an opinion on the effectiveness of internal control over financial reporting. The Audit & Risk Committee's responsibility is to monitor and review these processes. The members of the Audit & Risk Committee are "independent" as defined by SEC and Nasdaq rules, and our Board has determined that Mr. Jeffrey J. Brown is an "audit committee financial expert" as defined by SEC rules.

The Audit & Risk Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits, including internal control testing under Section 404 of the Sarbanes-Oxley Act. The Audit & Risk Committee periodically meets with the Company's internal and independent auditors, with and without management present, and in private sessions with members of senior management to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Audit & Risk Committee also periodically meets in executive session.

In reliance on the reviews and discussions referred to above, the Audit & Risk Committee recommended to the Board (and the Board subsequently approved the recommendation) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2018, for filing with the SEC.

COMPENSATION DISCUSSION AND ANALYSIS

Executive Compensation Program Objectives

Decisions with respect to compensation of our executive officers, including our Chief Executive Officer and other named executive officers, are made by our Compensation Committee, which is comprised solely of independent directors. Our Compensation Committee has identified four primary objectives for our executive compensation program, which guide the decisions it makes with respect to the amount and type of compensation paid to our named executive officers. The objectives of our executive compensation program are to:

- attract, retain and motivate senior executives with competitive compensation opportunities;
- balance short-term and long-term strategic goals;

- align our executive compensation program with the core values identified in our mission statement, which focuses on improving the quality of life for our co-workers and our customers; and
- reward achievement of our financial and non-financial goals.

The compensation philosophy is generally to target total direct compensation (base salary, annual incentive and long-term incentive compensation) at the 50th-75th percentile of that paid at similarly-situated public companies in the retail and consumer finance sector, with cash compensation (base salary and annual incentives) targeted at the 50th percentile, and long-term incentive compensation targeted at the 75th percentile.

Executive Summary

We are committed to a pay-for-performance culture. The compensation program is reviewed annually in order to assure that its objectives and components are aligned with the Company's strategic goals and culture, and also that it incentivizes short- and long-term profitability.

Pay for Performance

Our executive compensation program directly links a substantial portion of executive compensation to our financial performance through annual and long-term incentives. For the 2018 annual cash incentive program, (i) the EBITDA goal was achieved at 141.9% of target (resulting in a 200% payout of the 40% of the target bonus amounts attributable to the EBITDA target), (ii) the cash flow target was achieved at 157.2% of target (resulting in a 200% payout of the 40% of the target bonus amounts attributable to the cash flow target, and (iii) the revenue goal was achieved at 102.8% of target (resulting in a 129% payout of the 20% of the target bonus amounts attributable to the revenue target). As a result, each participant in the 2018 annual cash

incentive program received an amount equal to 186% of such person's target bonus amount.

In 2016, our Compensation Committee granted to our named executive officers performance-based restricted stock units based on our relative TSR as compared to the S&P 1500 Specialty Retail Index over a three-year measurement period. Our relative TSR performance as compared to the S&P 1500 Specialty Retail Index for the three-year period ending December 31, 2018, ranked us 32 out of 56 companies in the S&P 1500 Specialty Retail Index, or the 44th percentile, which resulted in the vesting of 75% of the performance-based restricted stock units that were granted.

COMPENSATION DISCUSSION AND ANALYSIS

Stockholder Advisory Vote

In June 2018, we held a stockholder advisory vote on the compensation of our named executive officers, referred to as a say-on-pay vote. Our stockholders approved the compensation of our named executive officers, with 78% of the shares of common stock present and entitled to vote at the meeting cast in favor of our proposal. This level of support was significantly less than in previous years (94.4% in 2017; 98.5% in 2016, and 98.6% in 2015) and was affected by a negative recommendation from Institutional Shareholder Services (ISS). ISS based its negative recommendation solely on a provision of the employment agreement we entered into with our new Chief Executive Officer in March 2018 (a single-trigger cash change in control payment which the Board deemed necessary given the Company's then on-going strategic alternatives review process).

In April 2019, the employment agreement with Mr. Fadel was revised to eliminate the single-trigger cash change in control payment and adopting, instead, a double-trigger cash change in control payment structure. Compensation decisions and changes implemented during the 2018 fiscal year were made keeping in mind the support stockholders expressed for our compensation philosophy and pay-for-performance culture. As a result, our Compensation Committee kept most facets of the executive compensation program consistent, with an emphasis on short and long-term incentive compensation that rewards our executives upon value creation for our stockholders.

Compensation Process

The Compensation Committee typically begins the process of determining the amount and mix of total compensation to be paid to our senior executives, including our named executive officers, in December of each year and finalizes the amounts the following January. This enables the Compensation Committee to examine and consider our performance during the previous year in establishing the current year's compensation.

The Compensation Committee retains a compensation consultant to assist it with compensation decisions for the upcoming fiscal year. For the 2018 fiscal year, the Compensation Committee engaged Hay Group to conduct a formal evaluation of, and advise it with respect to, the compensation arrangements for our Chief Executive Officer, as well as provide guidance with respect to the compensation of our senior executives, including our other named

executive officers. In determining whether to engage Hay Group to provide such services, the Compensation Committee considered whether such engagement would create any conflicts of interest and determined that the engagement of Hay Group by the Company to advise it with respect to compensation to be paid to our senior executive management for 2018 did not create any such conflicts. Hay Group was engaged directly by the Compensation Committee and has performed no other services to us or any of our executive officers or directors.

Based on the work performed by Hay Group, the Compensation Committee determined that the following similarly-situated public companies (the "Peer Group") provided an appropriate comparison for the purpose of evaluating our compensation arrangements for our senior executives:

Aaron's, Inc.	Big Lots Inc.	Brinker International Inc.	Conn's
Fred's, Inc.	H&R Block, Inc.	Michaels Stores, Inc.	OneMain Holdings
Pier 1 Imports, Inc.	Sally Beauty, Inc.	Sears Hometown & Outlet	Tractor Supply, Inc.
United Rental	Western Union		

The following criteria were used to establish this Peer Group:

- U.S.-based public companies with a similar business focus as ours, including both consumer finance and retail (particularly home furnishings, appliances and other retail organizations with which we compete for customers in a similar demographic);
- Companies with revenue similar to us (generally 0.5 to 2.0 times our revenue) and annuitized revenue streams;
- Geographic proximity; and
- Competitors for executive talent.

After considering several companies for possible inclusion in the Peer Group, the Compensation Committee determined to make

no additions to the Peer Group. In the fall of 2017, the Compensation Committee approved the use of this Peer Group for use in connection with compensation decisions to be made for the 2018 fiscal year.

Finally, various members of the Compensation Committee have significant professional experience in the retail industry, as well as with respect to the executive compensation practices of large publicly-traded companies. This experience provides a frame of reference within which to evaluate our executive compensation program relative to general economic conditions and our progress in achieving our short-term and long-term goals.

Forms of Compensation

The following forms of compensation are currently utilized by the Compensation Committee in compensating our named executive officers:

- base salary, which is paid in cash;
- annual incentive compensation, which is paid in cash;

- long-term incentive compensation, which consists of stock options, restricted stock units, and performance stock units;
- severance arrangements; and
- fringe benefits, including perquisites, with no tax gross-ups.

Base Salary

The base salary for each of our named executive officers represents the guaranteed portion of their total compensation and is determined annually by the Compensation Committee. Base salary is intended to reward the performance of each named executive officer during the fiscal year relative to his position with us. In establishing the base salary for each of our named executive officers, the Compensation Committee reviews:

- the named executive officer's historical performance in his position with us, including the financial performance within his or her area of responsibility and other factors;
- recommendations of the Chief Executive Officer as to the proposed base salary (other than his own);
- our financial performance; and
- market pay practices.

At the beginning of each year, the Compensation Committee considers whether adjustments should be made to the annual base salaries for our named executive officers. During the Compensation Committee's review of the then-current base

salaries, the Compensation Committee primarily considers market data, input provided by our Human Resources department, input of the Chief Executive Officer (other than with respect to his own base salary), individual performance, our financial performance, the experience of the named executive officer, and each named executive officer's compensation in relation to our other executive officers.

After considering our financial performance in 2017, the Compensation Committee made no changes to the base salaries for each of our named executive officers for 2018, except with respect to Mr. Herman whose base salary was increased in connection with his assumption of additional duties as Interim Chief Information Officer in December 2017, and his subsequent appointment as Chief Information Officer. Mr. Fadel's base salary for 2018 was determined by the Board in connection with Mr. Fadel's appointment as Chief Executive Officer effective as of January 2, 2018. The Compensation Committee approved the following base salaries of the named executive officers for 2017 and 2018 as set forth in the table below. The base salary adjustments for 2018 were effective March 31, 2018.

Annual Cash Incentive Compensation

The Compensation Committee maintains an annual incentive compensation program for our executive officers that provides for awards in the form of a cash bonus. The Compensation Committee believes that cash bonuses are appropriate to promote our interests as well as those of our stockholders by providing our named executive officers with short-term financial rewards based upon achievement of specified short-term objectives, which the Compensation Committee believes will ultimately increase the value of our stock, as well as help us attract and retain our named executive officers by providing attractive compensation opportunities.

Our named executive officers participate in our annual cash incentive program. Under our annual cash incentive program, cash bonus eligibility is established at a pre-determined

percentage of the named executive officer's base salary, with such percentage amount set in accordance with the eligible named executive officer's position and responsibilities with us. The percentage allocated as well as the potential ultimate payouts pursuant to our annual cash incentive program for each year are typically approved by the Compensation Committee in February at the same time that all compensation for our named executive officers is reviewed and, if applicable, approved. This enables the Compensation Committee to examine the named executive officer's performance during the previous year, as well as determine financial performance targets for the new fiscal year based in part upon the previous year's performance. No changes to the eligible bonus percentages for our named executive officers were made for the 2018 annual cash incentive program.

COMPENSATION DISCUSSION AND ANALYSIS

The annual cash incentive program for 2018 included three financial performance metrics: EBITDA, cash flow and corporate revenue. The Compensation Committee included an EBITDA target in the annual cash incentive program because it believes EBITDA generally represents an accurate indicator of our financial performance over a one-year period of time, while excluding the impact of interest and depreciation which can vary significantly. The Compensation Committee determined to include a cash flow target as one of the financial performance metrics comprising the 2018 annual cash incentive program to align with our strategy for 2018. The inclusion of the corporate revenue target in the annual cash incentive program reflects the Compensation Committee's determination that although a substantial portion of the cash bonus opportunity should be dependent on our profitability, a portion of such cash bonus opportunity should be based on our revenue growth. Accordingly, the potential annual incentive award for each of our named executive officers for the 2018 annual cash incentive program was divided as follows: 40% EBITDA; 40% cash flow and 20% revenue.

review of our financial projections developed pursuant to our strategic plan and objectives for 2018. Based upon that review, the Compensation Committee established the following targets for the 2018 annual cash incentive program: (1) a consolidated revenue target in the amount of \$2,589.05 million, (2) a cash flow target in the amount of \$150.57 million, and (3) an EBITDA target in the amount of \$139.83 million. In setting the financial targets under the 2018 annual cash incentive program, the Compensation Committee considered (i) the level of achievement of the targets for the 2017 annual cash incentive program and (ii) the level of the Company's anticipated investment in its strategic initiatives for 2018. The Compensation Committee further determined that, consistent with its views as to the financial performance measures for our annual cash incentive program, each eligible executive officer may receive (1) an additional bonus amount in the event that we exceed the financial performance targets for the fiscal year, and (2) a portion of the bonus in the event that we approach, yet fail to achieve, the target levels of financial performance, as set forth below:

The financial performance targets for the 2018 annual cash incentive program were established in February 2018 following a

In February 2019, the Compensation Committee determined the level of achievement of the revenue, cash flow and EBITDA targets as previously set by it with respect to the 2018 annual cash incentive program. The Compensation Committee reviewed the Company's adjusted financial results for the fiscal year ended December 31, 2018, and determined that the Company's (i) revenue for purposes of the 2018 annual cash incentive program was equal to \$2,660 million, (ii) EBITDA for purposes of the 2018 annual cash incentive program was equal to \$198 million and (iii) cash flow for purposes of the 2018 annual cash incentive program was equal to \$237 million. Accordingly, for the 2018 annual cash incentive program, (i) the EBITDA goal was achieved at 141.9% of target (resulting in a 200% payout of the 40% of the target bonus amounts attributable to the EBITDA

target), (ii) the cash flow target was achieved at 157.2% of target (resulting in a 200% payout of the 40% of the target bonus amounts attributable to the cash flow target, and (iii) the revenue goal was achieved at 102.8% of target (resulting in a 129% payout of the 20% of the target bonus amounts attributable to the revenue target). As a result, each participant in the 2018 annual cash incentive program received an amount equal to 186% of such person's target bonus amount.

The actual amounts awarded to our named executive officers for their annual cash incentive bonus for 2018 performance are included in the Summary Compensation Table under the column "Non-Equity Incentive Plan Compensation" on page 26 of this proxy statement.

Long-Term Incentive Compensation

Our equity incentive plans are administered by the Compensation Committee and are designed to enable the Compensation Committee to provide incentive compensation to our employees in the form of stock options, stock awards, other equity awards, and performance-based equity awards. The Compensation Committee believes that awarding our named executive officers non-cash, long-term equity incentive compensation, primarily in the form of long-term incentive awards which may increase in value in conjunction with the satisfaction by us of pre-determined performance measures and/or an increase in the value of our common stock, more effectively aligns their interests with ours. The Compensation Committee also believes that such awards will provide our named executive officers with an incentive to remain in their positions with us, since the determination as to whether a particular measure for our performance and/or an increase in the value of our common stock has been satisfied is typically made over an extended period of time. In general, the Compensation Committee considers equity awards to our named executive officers on an annual basis, normally in February of each year.

Generally, long-term incentive awards are made to our named executive officers pursuant to the Rent-A-Center, Inc. 2016 Long-Term Incentive Plan (the "2016 Plan"). Previous long-term incentive awards were made to our named executive officers pursuant to (i) the Rent-A-Center, Inc. 2006 Long-Term Incentive Plan (the "2006 Plan") and (ii) the Rent-A-Center, Inc. 2006 Equity Incentive Plan (the "Equity Plan"). Under the terms of each of the 2016 Plan, the 2006 Plan and the Equity Plan, awards may be granted at times and upon vesting and other conditions as determined by the Compensation Committee, and may be made in the form of stock options, stock awards, other equity awards, and performance-based equity awards. Stock option awards under our equity incentive plans are granted at the fair market value per share of our common stock on the date the option is granted as determined by reference to the closing price for shares of our common stock on the Nasdaq Global Select Market on the last market trading day prior to the date the option is granted. The options granted to our named executive officers typically vest ratably over a four-year period, commencing one year from the date of grant, and expire after 10 years.

The restricted stock units granted by our Compensation Committee cliff vest either after a set period of time or upon the

achievement of specified goals for our performance over a period of time. Awards of restricted stock with time-based vesting provide our named executive officers with a minimum level of value while also providing an additional incentive for such individuals to remain in their positions with us. Awards of restricted stock with performance-based vesting provide an additional incentive for our named executive officers to remain in their positions with us in order to realize the benefit of such award and also focus them on a performance parameter which the Compensation Committee considers beneficial to increasing the value of our stock, and consequently, stockholder value.

The Compensation Committee determines the timing of the annual grants of stock options and restricted stock units to our named executive officers as well as the terms and restrictions applicable to such grants. The Compensation Committee approves generally in February of each year the annual grant to our executive officers in conjunction with its review and determination of each executive officer's compensation for the current year. Grants may also be made in connection with commencement of employment, promotions, or tenure.

2018 Long-term Incentive Compensation Awards. No changes to the aggregate amount of the long-term incentive compensation award as a percentage of base salary were made for our named executive officers for 2018. Consistent with prior years, the long-term incentive compensation awards for 2018 were comprised of three vehicles, with greater emphasis on the portion of the long-term incentive award which is contingent on financial performance. Accordingly, the award tranches are weighted as follows: (i) 20% of the value of the award issued in stock options, (ii) 20% of the value of the award issued in time-based restricted stock units and (iii) 60% of the value of the award issued in performance-based restricted stock units.

Adoption of Relative Total Shareholder Return as Performance Measure. In prior years, long-term incentive awards of restricted stock with performance-based vesting were contingent upon our achievement of a three-year EBITDA target. Beginning in 2015, the Compensation Committee adopted a relative total shareholder return metric over a three-year measurement period as the vesting condition for grants of performance stock units under our long-term incentive compensation program. The Compensation Committee made this decision in order to tie the

COMPENSATION DISCUSSION AND ANALYSIS

external performance of our common stock to executive compensation and because the Compensation Committee believes that a relative measure is a more appropriate basis for measuring long-term performance than an absolute measure. The Compensation Committee also took into consideration the fact that our annual cash incentive program includes an EBITDA metric. The Compensation Committee selected a three-year period over which to measure relative total shareholder return based upon the time-period utilized with respect to awards made by similarly-situated public companies in the retail industry, as well as upon its belief that a three-year measurement period was appropriate to place an emphasis on our relative total shareholder return over an extended period of time, as opposed to the single year measure which is utilized in our annual cash incentive program.

The Compensation Committee selected the S&P 1500 Specialty Retail Index as the comparator group for measuring our relative shareholder return over the applicable measurement period. In making this selection, the Compensation Committee considered the median annual revenue of the companies in the index in the amount of \$3.8 billion, the inclusion in the index of four companies included in our Peer Group, and the representation of the overall retail environment by the index to determine that this index is comprised of the companies most similar to the Company and is an appropriate comparator group. The Compensation Committee adopted the following payout ranges applicable to the awards of performance-based restricted stock units:

See the Grants of Plan-Based Awards table under the column "Estimated Possible Payouts Under Equity Incentive Plan Awards" on page 28 of this proxy statement for threshold, target, and maximum amounts payable to our named executive officers under the 2018 long-term incentive performance-based awards.

Committee reviewed the Company's relative TSR performance as compared to the S&P 1500 Specialty Retail Index for the period January 1, 2016 through December 31, 2018, and determined that our relative TSR performance as compared to the S&P 1500 Specialty Retail Index for the three-year period ending December 31, 2018, ranked us 32 out of 56 companies in the S&P 1500 Specialty Retail Index, or the 44th percentile, which resulted in the vesting of 75% of the performance-based restricted stock units that were granted.

Determination of Long-term Incentive Compensation Awards. In January 2019, the Compensation Committee determined the level of achievement of the minimum TSR condition with respect to the long-term incentive performance-based awards made in January 2016, with a three-year measurement period. The Compensation

Severance Arrangements

We have executive transition agreements with our named executive officers to provide certain payments and benefits upon an involuntary termination of the named executive officer's employment or the occurrence of certain other circumstances that may affect the named executive officer. The Compensation Committee believes that such severance arrangements assist us in recruiting and retaining top-level talent. In addition, formalizing our severance practices benefits us (1) by providing us with certainty in terms of our obligations to an eligible executive in the event that our

relationship with him or her is severed and (2) by virtue of the non-competition, non-solicitation and release provisions in our loyalty agreements, which inure to our benefit in the event that an eligible executive severs employment with us.

For a more detailed description of the severance arrangements which apply to our named executive officers, please see "Termination of Employment and Change-in-Control Arrangements" beginning on page 32 of this proxy statement.

Fringe Benefits and Perquisites

Our named executive officers are eligible to participate in the benefit plans generally available to all of our employees, which include health, dental, life insurance, vision and disability plans, all of which the Compensation Committee believes are commensurate with plans of other similarly situated public companies in the retail industry. In addition, we will pay for the cost of an executive physical examination for each named executive officer each year. Our named executive officers were eligible in 2018 to participate in our 401(k) Retirement Savings Plan and in the Rent-A-Center, Inc. Deferred Compensation Plan. The Deferred Compensation Plan allows our executive officers to defer tax liability on a portion of their compensation.

The Compensation Committee has determined it is beneficial to offer the above-described fringe benefits and perquisites in order to attract and retain our named executive officers by offering compensation opportunities that are competitive with those

offered by similarly-situated public companies in the retail industry. In determining the total compensation payable to our named executive officers for a given fiscal year, the Compensation Committee will examine such fringe benefits and perquisites in the context of the total compensation which our named executive officers are eligible to receive. However, given the fact that such fringe benefits and perquisites which are available to our named executive officers represent a relatively insignificant portion of their total compensation, the availability of such items does not materially influence the decisions made by the Compensation Committee with respect to other elements of the total compensation to which our named executive officers are entitled or awarded.

For a description of the fringe benefits and perquisites received by our named executive officers in 2018, please see “– All Other Compensation” on page 27 of this proxy statement.

Clawback Policy

Our Board has adopted a compensation recovery (“clawback”) policy which provides that, in the event of a restatement of our financial results due to our material noncompliance with any financial reporting requirement under the U.S. federal securities laws, we may seek reimbursement of any portion of incentive compensation paid, vested, or awarded during the three-year period preceding the date on which we are required to prepare such a re-statement, which is in excess of the amount that would have been paid or awarded if calculated based on the restated financial results. Restatements of financial results that are the

direct result of changes in accounting standards will not result in recovery of performance-based or incentive compensation under this policy. This policy is intended to be administered in a manner consistent with any applicable rules, regulations or listing standards adopted by the SEC or The Nasdaq Global Select Market, Inc., as contemplated by the Dodd-Frank Wall Street Reform and Consumer Protection Act. We intend to revise our clawback policy to the extent we deem necessary to comply with such rules, regulations or listing standards.

Executive Stock Ownership Guidelines

We believe that our Chief Executive Officer should have a meaningful financial stake in the Company to ensure that his interests are aligned with those of our stockholders. To that end, the Board adopted equity ownership guidelines to define our expectations for our Chief Executive Officer. Under these

guidelines, our Chief Executive Officer is expected to own shares of our common stock equal in value to 5 times his annual base salary within five years of the date on which he became Chief Executive Officer. Mr. Fadel was named our Chief Executive Officer effective as of January 2, 2018.

Section 162(m)

Section 162(m) of the Internal Revenue Code (the “Code”) generally prohibits a federal income tax deduction to public companies for compensation over \$1,000,000 paid to a “covered employee.” A “covered employee” includes (a) the Chief Executive Officer, (b) the Chief Financial Officer, (c) the three other most highly compensated executive officers, and (d) any individual who was a covered employee for any taxable year beginning after December 31, 2016. Prior to 2018, we were permitted to receive a federal income tax deduction for qualifying “performance-

based” compensation as defined under Code Section 162(m) without regard to this \$1,000,000 limitation. Recent U.S. tax legislation eliminated the performance-based exception. The new tax legislation became effective starting in 2018. The Compensation Committee may determine it is appropriate to provide compensation that may exceed deductibility limits in order to recognize performance, meet market demands, retain key executives, and take into account other appropriate considerations.

COMPENSATION DISCUSSION AND ANALYSIS

Summary of Compensation

The following table summarizes the compensation earned by our “named executive officers” in fiscal year 2018, as well as the compensation earned by such individuals in each of fiscal year 2017 and fiscal year 2016, if serving as an executive officer during that time. For 2018, our “named executive officers” consisted of the persons serving as Chief Executive Officer during any part of 2018, our Chief Financial Officer, and our three other most highly compensated executive officers. The table specifically identifies the dollar value of compensation related to 2018, 2017 and 2016 paid to such named executive officers in the form of:

- base salary, paid in cash;
- stock awards, comprised of awards of restricted stock relating to the 2018, 2017 and 2016 fiscal years;

- option awards, comprised of awards of options during the 2018, 2017 and 2016 fiscal years and identified based upon the aggregate fair value in dollars of such award;
- non-equity plan incentive plan compensation, listing the aggregate dollar value of the awards paid to our named executive officers; and
- all other compensation, which includes amounts paid by us to the named executive officers as matching contributions under our Deferred Compensation Plan and insurance premiums.

Our named executive officers were not entitled to receive payments which would be characterized as “Bonus” payments for purposes of the Summary Compensation Table for 2018, 2017 and 2016.

Nonqualified Deferred Compensation

The Rent-A-Center, Inc. Deferred Compensation Plan is an unfunded, nonqualified deferred compensation plan for a select group of our key management personnel and highly compensated employees. The Deferred Compensation Plan first became available to eligible employees in July 2007, with deferral elections taking effect as of August 3, 2007. The Deferred Compensation Plan allows participants to defer up to 50% of their base compensation and up to 100% of any bonus compensation. Participants may invest the amounts deferred in measurement funds that are the same funds offered as the investment options in our 401(k) Retirement Savings Plan. We may make discretionary

contributions to the Deferred Compensation Plan, which are subject to a three-year graded vesting schedule based on the participant's years of service with us. For 2018, we made matching contributions in the Deferred Compensation Plan of 50% of the employee's contribution to the plan up to an amount not to exceed 6% of such employee's compensation, which is the same matching policy as under our 401(k) Retirement Savings Plan. We are obligated to pay the deferred compensation amounts in the future in accordance with the terms of the Deferred Compensation Plan.

The following table provides information for the named executive officers regarding contributions, earnings and balances for our Deferred Compensation Plan.

Termination of Employment and Change-in-Control Arrangements

Severance Arrangements

We have entered into executive transition agreements with each of our named executive officers other than Mr. Fadel. Each executive transition agreement has substantially identical terms and is intended to provide certain payments and benefits upon an involuntary termination of the named executive officer's employment or the occurrence of certain other circumstances that may affect the named executive officer. Loyalty and Confidentiality Agreements executed in connection with our executive transition agreements provide non-competition, non-solicitation and release provisions for the benefit of the Company.

Termination Not in Conjunction with a Change in Control. If the named executive officer's employment is terminated without "cause," the named executive officer will be entitled to receive:

- unpaid but earned base salary through the date of termination;
- a pro rata bonus calculated based upon the named executive officer's bonus amount from the previous year;
- one and one half times the sum of the named executive officer's highest annual rate of salary during the previous 24 months, and the named executive officer's average annual bonus for the two preceding calendar years; and
- continued health insurance coverage for the named executive officer and the named executive officer's spouse and covered dependents for up to 18 months.

If the named executive officer's employment is terminated due to disability or death, the named executive officer will be entitled to receive:

- unpaid but earned base salary through the date of termination;
- a pro rata bonus calculated based upon the named executive officer's bonus amount from the previous year; and
- continued health insurance coverage for the named executive officer and the named executive officer's spouse and covered dependents for 12 months.

If the named executive officer's employment is terminated for "cause" or if the named executive officer terminates his employment for any reason other than death, the named executive officer will be entitled to receive his unpaid but earned base salary through the date of termination (reduced by amounts owed by the named executive officer to us or our affiliates).

Termination in Conjunction With a Change In Control. If the named executive officer's employment is terminated in conjunction with a change in control of us without "cause" or by the named executive officer for "good reason," the named executive officer will be entitled to receive the same severance payments and benefits as described above (not in connection with a change in control) with respect to a termination without "cause," except that the named executive officer will be entitled to receive two times the sum of the named executive officer's highest annual rate of salary during the previous 24 months, and the named executive officer's average annual bonus for the two preceding calendar years, rather than one and one half times such amount, and the named executive officer will be entitled to continued health insurance coverage for up to two years, rather than 18 months. If the named executive officer's employment is terminated in connection with a change in control due to disability or death, or for "cause" or without "good reason," the named executive officer will be entitled to receive the same severance payments and benefits as described above (not in connection with a change in control) with respect to a termination due to disability or death or for "cause," respectively.

Under each of the executive transition agreements, the term "change in control" generally means the occurrence of any of the following after September 14, 2006:

- any person becomes the beneficial owner of 40% or more of the combined voting power of our then outstanding voting securities;

COMPENSATION DISCUSSION AND ANALYSIS

- a consolidation, merger or reorganization of us, unless (i) our stockholders immediately prior to such transaction own at least a majority of the voting power of the outstanding voting securities of the resulting entity, (ii) the members of our Board immediately prior to the execution of the agreement providing for such a transaction constitute a majority of the board of directors of the surviving corporation or of its majority stockholder, and (iii) no person beneficially owns more than 40% of the combined voting power of the then outstanding voting securities of the surviving corporation (other than a person who is (a) us or a subsidiary of us, (b) an employee benefit plan maintained by us, the surviving corporation or any subsidiary, or (c) the beneficial owner of 40% or more of the combined voting power of our outstanding voting securities immediately prior to such transaction;
- individuals who, as of September 14, 2006, constitute our entire Board cease to constitute a majority of our Board, provided that anyone who later becomes a director and whose appointment or nomination for election was approved by at least two-thirds of our directors at the time shall be considered as though such individual were a member of our Board; or
- a complete liquidation or dissolution of us, or a sale or other disposition of all or substantially all of our assets (other than to an entity described in the second bullet point above).

Fadel Employment Agreement

Pursuant to Mr. Fadel's employment agreement, if we terminate Mr. Fadel's employment due to his disability or death, Mr. Fadel will be entitled to receive:

- unpaid but earned base salary through the date of termination;
- a pro rata bonus calculated based upon Mr. Fadel's bonus amount from the previous year; and
- continued health insurance coverage for Mr. Fadel and Mr. Fadel's spouse and covered dependents for 24 months.

If we terminate Mr. Fadel's employment for "cause," or if Mr. Fadel terminates his employment with us for any reason other than death, disability or for "good reason," Mr. Fadel will be entitled to receive his unpaid but earned base salary through the date of termination (reduced by amounts owed by Mr. Fadel to us or our affiliates).

If Mr. Fadel's employment is terminated by us without "cause" (as defined in the employment agreement) or by Mr. Fadel for "good reason," Mr. Fadel will be entitled to receive:

- unpaid but earned base salary through the date of termination;
- a pro rata bonus calculated based upon Mr. Fadel's bonus amount from the previous year;

- two times the sum of Mr. Fadel's (x) highest annual rate of salary during the previous 24 months, and (y) his target cash bonus amount for the calendar year in which the termination occurs; and
- continued health insurance coverage for Mr. Fadel and Mr. Fadel's spouse and covered dependents for 24 months.

If we terminate Mr. Fadel's employment in conjunction with a change in control of us without "cause" or if Mr. Fadel terminates his employment with us for "good reason," Mr. Fadel will be entitled to receive in a lump sum the same aggregate severance payments and benefits as described above for a termination not in connection with a change in control. The Compensation Committee or the Board may condition the payment of severance or benefits on the execution and delivery by Mr. Fadel of a general release in favor of us, our affiliates and our officers, directors, and employees, provided that no such release will be required for the payment to Mr. Fadel of accrued compensation.

Mr. Fadel is also subject to a Loyalty and Confidentiality Agreement which provides non-competition, non-solicitation and release provisions for the benefit of the Company.

Long-Term Incentive Plans

Awards Pursuant to the 2016 Plan, the 2006 Plan and the Equity Plan. Pursuant to stock option agreements under the 2016 Plan, the 2006 Plan and the Equity Plan, if the individual's employment with us is terminated because of death or disability, any options that are vested and exercisable on the date of termination will remain exercisable for 12 months thereafter, but not beyond the term of the agreement. If the individual's employment is terminated by us for "cause," then the options (whether or not then vested and exercisable) will immediately terminate and cease to be exercisable. If the individual's employment with us is terminated for any other reason, any options that are vested and exercisable as of the date of termination will remain exercisable for three months thereafter, but not beyond the term of the agreement.

Pursuant to the 2016 Plan, the 2006 Plan and the Equity Plan, each holder of an option to purchase shares of our common stock

may exercise such option immediately prior to an "exchange transaction," regardless of whether currently vested, and any outstanding options not exercised before the exchange transaction shall terminate. However, if, as part of an exchange transaction, our stockholders receive capital stock of another corporation in exchange for our common stock, and if our Board so directs, then all outstanding options shall be converted into options to purchase shares of such stock, with the amount and price to be determined by adjusting the amount and price of the options granted under the 2016 Plan, the 2006 Plan or the Equity Plan, as applicable, on the same basis as the determination of the number of shares of exchange stock the holders of our outstanding common stock are entitled to receive in the exchange transaction. In addition, unless our Board determines otherwise, the vesting conditions with respect to the converted options shall be substantially the same as those set forth in the original option

COMPENSATION DISCUSSION AND ANALYSIS

agreement. The Board may accelerate the vesting of stock awards and other awards, provide for cash settlement of and/or make such other adjustments to any outstanding award as it deems appropriate in the context of an exchange transaction.

Under the 2016 Plan, the 2006 Plan and the Equity Plan, the term “exchange transaction” means a merger (other than in which the holders of our common stock immediately prior thereto have the same proportionate ownership of common stock in the surviving corporation immediately thereafter), consolidation, acquisition or disposition of property or stock, separation, reorganization (other than a reincorporation or the creation of a holding company), liquidation of us or any other similar transaction or event so designated by our Board, as a result of which our stockholders receive cash, stock or other property in exchange for or in connection with their shares of our common stock.

Pursuant to stock compensation agreements under the 2016 Plan, the 2006 Plan and the Equity Plan, if the individual’s employment with us is terminated because of death or disability, or there is a change in ownership of us, then any unvested restricted stock units will vest on the date of such termination of employment or

immediately prior to the consummation of the change in ownership of us, as the case may be. However, any unvested restricted stock units do not vest by reason of a change in ownership unless the individual remains continuously employed by us until such change in ownership is complete or the individual’s employment is sooner terminated by us in connection with such change in ownership. In addition, upon the termination of the individual’s employment or other service with us for any reason other than disability or death, any unvested restricted stock units will thereupon terminate and be canceled.

Under each of the stock compensation agreements, the term “change in ownership” is defined as any transaction or series of transactions as a result of which any one person or group of persons acquires (i) ownership of our common stock that, together with the common stock previously held by such person, constitutes more than 50% of the total fair market value or total voting power of such stock, or (ii) ownership of our assets having a total gross fair market value at least equal to 80% of the total gross fair market value of all of the assets immediately prior to such transaction or series of transactions.

- the base salary earned by each named executive officer for his services to us through December 31, 2018 has been fully paid to such named executive officer;
- to the extent not otherwise terminated in connection with the named executive officer's termination, each of our named executive officers exercised any previously unexercised, vested options and sold the underlying shares at the closing price for shares of our common stock on the Nasdaq Global Select Market on December 31, 2018, which was \$16.19; and
- to the extent not otherwise terminated in connection with the named executive officer's termination, each of our named executive officers sold the shares of our common stock underlying their previously unvested restricted stock units at the closing price for shares of our common stock on the Nasdaq Global Select Market on December 31, 2018.

Potential Realizable Value of Outstanding Awards Upon a Change in Control Without Termination

Under our long-term incentive plans, in the event of a “change in control” of us or an “exchange transaction” involving us, the vesting of outstanding awards may be accelerated regardless of whether the employment of the holder is terminated in connection therewith. The following table provides quantitative disclosure of the potential realizable value of outstanding awards granted to the named executive officers currently employed by us pursuant to our long-term incentive plans assuming that:

- an event which constituted a “change in control” and an “exchange transaction” under each of the agreements and plans described above was consummated on December 31, 2018;
- with respect to options awarded pursuant to the 2016 Plan, the 2006 Plan and the Equity Plan, the Board does not direct such outstanding options to be converted into options to purchase shares of the exchange stock;

- each named executive officer exercised any previously unexercised options and sold the underlying shares at the closing price for shares of our common stock on the Nasdaq Global Select Market on December 31, 2018; and
- each named executive officer sold the shares of our common stock underlying their previously unvested restricted stock units at the closing price for shares of our common stock on the Nasdaq Global Select Market on December 31, 2018.

Compensation Related Risk

The Compensation Committee believes that the design of our compensation programs, including our executive compensation program, does not encourage our executives or employees to take unnecessary and excessive risks and that the risks arising from these programs are not reasonably likely to have a material adverse effect on us. The Compensation Committee considered the following factors in making that determination:

- The allocation among the components of direct annual compensation provides an appropriate balance between annual and long-term incentives and between fixed and performance-based compensation.
- The performance measures and the multi-year vesting features of the long-term equity incentive compensation component encourage participants to seek sustainable growth and value creation.

- Inclusion of share-based compensation through the long-term equity incentive compensation component encourages appropriate decision-making that is aligned with the long-term interests of our stockholders.
- Our annual cash incentive program and the awards of restricted stock with performance-based vesting contain provisions with respect to our achievement of the applicable financial target such that each participant may receive (1) an additional payout pursuant to such award in the event that we exceed the applicable financial target, and (2) a portion of the target payout pursuant to such award in the event that we approach, yet fail to achieve, the target level of financial performance.
- We maintain a values-driven, ethics-based culture supported by a strong tone at the top.

CEO Pay Ratio

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act, we are presenting the ratio of the annual total compensation for fiscal year 2018 of our current Chief Executive Officer to that of the median of the annual total compensation for all of our other employees. We believe this ratio represents a reasonable estimate calculated in a manner consistent with the

SEC’s disclosure requirements under Item 402(u) of Regulation S-K, which permit the use of estimates, assumptions and adjustments in connection with the identification of our median employee. Please note that due to the flexibility permitted by these rules in calculating this ratio, our ratio may not be comparable to CEO pay ratios presented by other companies.

We determined our median employee using taxable wages from our payroll records for fiscal 2018 for all full- and part-time employees as of December 31, 2018. After identifying the median employee, we calculated annual total compensation for that person using the same methodology we use for our named executive officers in the Summary Compensation Table in this Proxy Statement.

The annual total compensation of our median employee for 2018 was \$36,828, and the 2018 annual total compensation for Mr. Fadel as set forth in the Summary Compensation Table above was \$4,862,010. Accordingly, our estimate of the ratio of the annual total compensation of our Chief Executive Officer to the median of the annual total compensation of our other employees is approximately 132 to 1.

Equity Compensation Plan Information

The following table sets forth certain information concerning all equity compensation plans previously approved by our stockholders and all equity compensation plans not previously approved by our stockholders as of December 31, 2018.

Plan Category	Number of Securities to be issued upon exercise of outstanding options, warrants and rights(1)	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plan(2)
Equity compensation plans approved by security holders	4,324,762	\$ 19.37	2,065,111
Equity compensation plans not approved by security holders	—	—	—
Total	4,324,762	\$ 19.37	2,065,111

(1) Includes (a) 2,468,900 shares to be issued upon exercise of outstanding stock options with a weighted-average exercise price per share of \$19.37, and a weighted-average remaining term of 6.06 years, and (b) 1,855,862 shares to be issued upon vesting of outstanding restricted stock units with a weighted-average grant date fair value of \$8.82.

(2) Pursuant to the terms of the Plans, when an optionee leaves our employ, unvested options granted to that employee terminate and become available for re-issuance. Vested options not exercised within 90 days from the date the optionee leaves our employ terminate and become available for re-issuance.

PROPOSAL THREE: ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act, we are seeking stockholder approval of our executive compensation program and practices as disclosed in this proxy statement. As described above in the “Compensation Discussion and Analysis” section of this proxy statement, the Compensation Committee has structured our executive compensation program to achieve the following key objectives:

- attract, retain and motivate senior executives with competitive compensation opportunities;
- balance short-term and long-term strategic goals;
- align our executive compensation program with the core values identified in our mission statement which focuses on improving the quality of life for our co-workers and our customers; and
- reward achievement of our financial and non-financial goals.

We urge stockholders to read the “Compensation Discussion and Analysis” beginning on page 20 of this proxy statement, which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives, as well as the Summary Compensation Table and other related compensation tables and narrative disclosures, appearing on pages 26 through 36, which provide detailed information on the compensation of our named executive officers. The Compensation Committee and the Board believe that the policies and procedures articulated in the “Compensation Discussion and Analysis” are effective in achieving our goals and that the compensation of our named executive officers reported in this proxy statement has contributed to our recent and long-term success.

In accordance with Section 14A of the Exchange Act, and as a matter of good corporate governance, we are asking stockholders to approve the following advisory resolution at the 2019 Annual Meeting:

“RESOLVED, that the stockholders of Rent-A-Center, Inc. (the “Company”) approve, on an advisory basis, the compensation of the Company’s named executive officers for the year ended December 31, 2018, as disclosed in the 2019 Proxy Statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission (including Item 402 of Regulation S-K), including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and narrative disclosure.”

This advisory resolution, commonly referred to as a “say-on-pay” resolution, is non-binding on the Board. Although non-binding, the Board and the Compensation Committee will carefully take into account the outcome of the vote when considering future compensation arrangements for our named executive officers. We intend to conduct future advisory votes on executive compensation at each subsequent annual meeting.

The affirmative vote of a majority of the shares of common stock present in person or represented by proxy and entitled to be voted on the proposal at the meeting is required for approval of this advisory resolution.

Our Board recommends that you vote “FOR” approval of the advisory resolution on executive compensation.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Mr. Brown, Mr. Lentell, Mr. Gade, and Mr. Hetrick each served as members of the Compensation Committee for all or a portion of 2018. Each member is independent and no member of the Compensation Committee (1) has ever been employed by us, as an officer or otherwise, or (2) other than with respect to Mr. Lentell, as described under the heading “Related Person Transactions” below, has or had any relationship with us in 2018

requiring disclosure pursuant to SEC rules. In addition, during 2018, none of our executive officers served as a member of the compensation or similar committee or as a member of the board of directors of any other entity having an executive officer that also served on the Compensation Committee or Board of Rent-A-Center.

RELATED PERSON TRANSACTIONS

Policy on Review and Approval of Transactions with Related Persons

The Board has adopted a written statement of policy and procedures for the identification and review of transactions involving us and “related persons” (our directors and executive officers, stockholders owning five percent or greater of our outstanding stock, immediate family members of any of the foregoing, or any entity in which any of the foregoing persons is employed or is a partner or principal or in a similar position or in which such person has a five percent or greater beneficial ownership interest).

Our directors and executive officers are required to provide notice to our legal department of the facts and circumstances of any proposed transaction involving amounts greater than \$50,000 involving them or their immediate family members that may be deemed to be a related person transaction. Our legal department will then assess whether the proposed related person transaction requires approval pursuant to the policy and procedures. If our

legal department determines that any proposed, ongoing or completed transaction involves an amount in excess of \$100,000 and is a related person transaction, our Chief Executive Officer and the Chairman of the Nominating and Corporate Governance Committee must be notified (unless it involves our Chief Executive Officer, in which case the Chairman of the Nominating and Corporate Governance Committee must be notified), for consideration at the next regularly scheduled meeting of the Nominating and Corporate Governance Committee. In certain instances, the Chairman of the Nominating and Corporate Governance Committee may pre-approve or ratify, as applicable, any related person transaction in which the aggregate amount involved is, or is expected to be, less than \$500,000. The Nominating and Corporate Governance Committee or its Chairman, as applicable, will approve or ratify, as applicable, only those related person transactions that are in, or are not inconsistent with, our best interests and those of our stockholders.

Intrust Bank Relationship

J.V. Lentell, one of our directors, served during 2018 as Vice Chairman of the Board of Directors of Intrust Bank, N.A., one of our lenders. Intrust Bank, N.A. is a \$7.77 million participant (total commitment) in our senior credit facility. We also maintain operational checking and other accounts, including a \$12.5 million revolving line of credit, with Intrust Bank, N.A. In addition, Intrust Bank, N.A. serves as trustee of our 401(k) and

deferred compensation plans. During 2018, we paid Intrust a total of \$1.1 million in fees in connection with banking services provided by them, of which \$0.6 million was for administration fees and trustee fees for our 401(k) and deferred compensation plans. The total fees paid to Intrust during 2018 constituted less than 1/2% of Intrust's annual revenue for the year ended December 31, 2018.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based on a review of reports filed by our directors, executive officers and beneficial owners of more than 10% of our shares of common stock, and upon representations from those persons, we believe that all SEC stock ownership reports required to be filed by those reporting persons during and with respect to 2018 were timely made.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth the common stock ownership for each of our directors, each of the named executive officers who are currently employed by us, all of our directors and executive officers as a group, and each of our known 5% stockholders. Beneficial ownership is determined in accordance with SEC rules and regulations.
